EXALTED RULER ADDRESS | Tracy Horrell, ER, PLP

What a great time in Austin, Tx.! Texas sure knows how to serve up some great hospitality! Great information was given on becoming more active within our community. Spending more time in the community will not only put the Elks in the public but we will make a difference as well!

Our new Grand Exalted Ruler is Thomas A. Brazier who comes from California who has a love for motorcycles and his motto for this year is: "Elks are a Beacon of Hope" look for more to come in the months ahead on this.

There was a lot of discussion about the Elks National Home and it's high cost for upkeep and the low amounts of occupancy. It was voted on to give the Grand Trustees more flexibility to make decisions on its existence. After much talk the decision was made to sell the home. I'm sure we will receive information soon as where this stands.

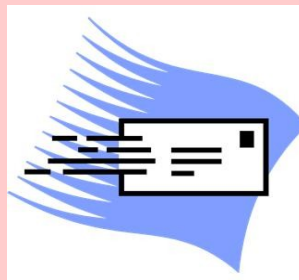

Summertime means FUN TIME! We have lots of events starting to take place. First on our list will be our VP visit at the lodge on August 11th. Doug Collett is our VP of the district. He will share some exciting news about Elkdom, our charities, and our State President Sean Maquire. It will be a family style event with several surprises. Next we have our Back to School Party on August 12th we are taking donations now for school supplies you may drop these off at the lodge. August 25th we will hold our Horse Race Event with proceeds benefiting our 110th Anniversary Party. This is always a good time and horses sell out. So don't delay. Details are in this issue. August 26th we will have a Latin Flavor Event with a Salsa dance contest, food and prizes. Please read this issue for more information. Money raised will go to Harry Anna.

Come in and get involved in your lodge and you'll see what a good time you are missing! I look forward to seeing you soon!

Fraternally,
Tracy Horrell, ER

Membership Report

Cindy Green Membership Chair

Membership was slow for the month of July. Some members were away for our Grand Lodge convention, others were out of town on vacation. We had two candidate initiations postponed due to illness and work scheduling. On a positive note, we have more applications to review for potential new members. We are following up with letters to others who are behind with their dues, inviting them to renew. The membership committee is working on a survey which we would like to mail to EVERYONE for their opinions. Tell us what works for you regarding events, music, food, for anything. Of course we can't change everything, but we sure can try to keep having fun. The best quote I ever heard from a fellow Officer was "We raise money, we have fun doing it, then we give it away!". **This is the Elks!**

We only have a month before we turn in our donations to the State FLOE Assoc. I hope to receive enough to make \$1000. Happy to receive donations from Monday night bingo ladies, Janette Bennett, Richard Florance, Sandra Brantley. The bar and the tables, they are doing great. THANK YOU FROM THE CHILDREN!

LOE PRESIDENT'S REPORT | Susie Harlow, LP

Greetings To All:

It seems like school just let out and it is about to start again. I am sure some parents are very happy while some children may be sad. Children are enjoying their youth and they should do that as the reality of GROWNUP life creeps up fast. John Wayne is chairing a back to school party on August 12th. He would appreciate all donations of school supplies or monetary donations. He could also use help on that day. Please see John to help the children with this great cause.

Thanks to Diane Adams and Debbie Osterbrock for a great meeting night meal. They served homemade lasagna, salad, bread and dessert. I can say everyone enjoyed it.

Sunday August 26th Elk member Gus Adams and LOE member Diane Adams will be having dance demonstrations by other dance clubs. They will also be giving dance lessons (including the HOT SALSA). The cost is \$3 advance tickets or \$4 at the door. Snacks will be provided. Please come out and support them, as they give free dance lessons every Tuesday to members and military.

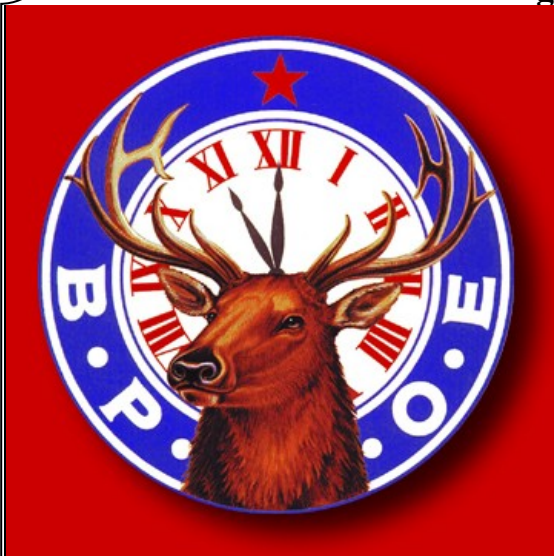

The LOE will be having an event on October 6th. Please keep your eyes and ears open for more further details.

In Your Service

You can't help but love this guy! Like a Big Teddy Bear he makes everyone feel good! Always willing to help when & where it is needed, never saying NO! He is the cook, the dishwasher, the plumber, the all around handyman. He does love to play a game or two of pool so the next time you see him congratulate him and challenge him to a game of pool he would love the BREAK! Thanks for all you do Al.

**ELK OF THE MONTH

He too is like a Big Teddy Bear! Always willing to give his time and a helping hand where it is needed. You see him most often as our cashier but he is often helping with events for our youth such as Bowl-a-Rama, Out of School Party, Hoop Shoot, Back to School Party. These are successful due to his time and commitment to kids in our community. He also makes sure they leave with the understanding about Saying NO to Drugs. Next time you see John help me say Thanks!

Editors Note:

After last months article on P.I.P., I heard many comments which I will attempt to address in this article.

First, I inadvertently dropped some people from the rolls and for that, I do apologize. I have attempted to correct the situation in this issue until I can get full confirmation from the office. Please check with the office if you have questions about your participation in the P.I.P. program

Secondly, some mentioned, the true intent of the P.I.P. program has been forgotten. If you have questions and would like more information on the true intent of the P.I. P. program, contact Steve Harmon. He was the E.R. at the time the program was originated. Steve is, also, working to assist us in correcting our records where necessary.

Finally, given the questions about the program, the bylaws committee is attempting to formally add information about the program, it's intent, and methods of accessing the funds. If you have any questions regarding recommendations of the Bylaws committee contact Rita Smith. We are discussing bylaw updates NOW so time is of the essence to let your feelings be known.

Americanism
 "Fundamental American Issues
 Regarding Elks "
Dick Florance Americanism Chairman

As America's fortunes wax strongly - then suddenly and long-lastingly wane—our lives as Elks are enlivened by evermore pressing change. Now change occurs in many fast-moving and decisive mains - meaning that through social, economic, political, or religious influences will become attempts to create in America fundamental changes that will favorably or unfavorably affect the very fabric that is, has, and will be the world's Hallmark Example of how our world should be - and what the world should strive to become for future world histories. There are some leaders from various walks and heritages of American social, economic, political, or religious lives - and even of some combinations of these referenced pillars of American society that will try to cause fundamental changes for their own purposes - in sometimes worthy or in other times for personal notoriety. Sometimes these ideas and ideals clash with our own values, ideals, and morals that we all have learned to love and value as good and loyal Elks as we go about our daily lives and continue believing in our Elks as Caring and Sharing Americans. Specifically, as American Elks we must pay very close attention to these current "American Issues" as they relate to not only our personal lives - but also to the future of our communities, states and even to our America as a nation. The distinctly American value that is forever imbued in our Elks lives is contained within our Elks "Obligation" - taken and sworn - to upon Initiation into the Benevolent and Protective Order of Elks of the United States of America. I would earnestly and sincerely ask each Lodge Member to re-acquaint themselves with our Elks Obligation -- with the tenets of Charity, Justice, Brotherly Love, and Fidelity -- and lastly but most importantly, use your God - given privilege to Vote in November 2012's American Election that will determine the path of America's future direction.

It's HOT...HOT...HOT! With sweltering temperatures outside, we decided "if you can't beat 'em...join 'em!" So, break out the chili rellenos, the tortillas, the carne asada, churros and salsa...we're doing Mexican/Southwestern Cuisine.

Bring yourselves, your sombreros and comida (food) to the Lodge on Sunday, August 18 at 5:00 pm, or just come and eat (for a small donation).

Drug Awareness

John Wayne, P.E.R.

Youth Activities Chairman

Our committee has met and decided, we will hold a Back to School Party (so soon?) on Sunday August 12, 2012. This party will be from 2 till 4:30 PM with a guest speaker to talk about an important subject. There will be games, food, and most importantly, school supplies will be given to all children. No one will go away without a good helpful start to school package. If you wish to donate funding or School supplies, stop by the lodge and drop either off to Peggy or one of the officers. Be sure to get a receipt for your charitable donation.

Also, beginning at 5:00 PM, Tampa Elks # 708 will have a special award dinner for the local firemen (A-Team) who showed the children the fire trucks and explained their jobs to the children at the summer break gathering in June. The meal will consist of Spaghetti with sauce, salad, bread, beverage and desert. Donations will gladly be accepted. The A-Team will then receive their award for support of the children, e.g., Elks of tomorrow.

We are also beginning Sunday Car Washes from 08:30 AM till ???. Donations are suggested to begin at \$4.00 with all proceeds going to the Youth Camp and a special Drug Awareness party for the Kids who put the shine back on your vehicle. We could use some volunteers to help supervise the kids as they learn the meaning of supporting your community.

Youth Camp News

John Wayne, P.E.R.

Youth Activities Chairman

All children who went to camp so far, have said to me: "Can I go next year?" The answer, of course, is YES and tell your friends about us!!! The youth camp is one way to show your support as well as show the Elks of tomorrow that we as Elks are harmonious and flexible... We are truly the Best People on Earth!

Don't forget about the Sunday Morning Youth Car Wash, which helps support the Youth Camp and Drug Awareness. Lynn will be happy to cook a filling and tasteful breakfast meal while you wait for your car to be refreshed. Help the Kids, Help the Lodge, Help the community! Step up and Stand Proud to be an ELK!

Bartender News*“Peggi”**“Debbie”**“Ty”*

Hello Elks Members:

Wow! August is upon us already. Seems like the summer is flying by and just yesterday was July 4th. August means one thing: FOOTBALL!!!!!! We will be having beer specials on Sundays, as well as other fabulous concoctions and specials. Of course, since football is starting again, the TAILGATE PARTIES will be in full swing. I invite and encourage all of you to come down, cheer on your favorite teams and enjoy some wonderful tailgate food. Also, please come down and meet Ty, who is your bartender on Mondays, and meet Debbie, who is your bartender on Tuesdays and Wednesdays. They are both great people and would like to get to know all of the members of this lodge. Don't forget the VP Visit at our Lodge on August 11th. A great time to meet people from other lodges and enjoy a great meal. Also, we will be having Veterans Night on Friday, August 24th – come show your support of our Veterans!!!! Also in August (as if football weren't enough) will be the Elks Annual Horserace. Get in to the Lodge and buy your horse, they go fast!! Finally, there will be our First Annual Latin Event with salsa dancing and competitions, delicious food and great drink specials. We look forward to seeing you all! Thank you for your support of YOUR LODGE.

New Members

We have seen only a few of you since your initiation into the Benevolent and Protective Order of Elks, You have now become full fledged members in the Order and the next phase of that membership is to get active!

We hope, by now, you have had time to digest much of the information you were given at orientation and initiation. We know it was a lot; however, we ask now that you NOW follow up with us by stopping by the lodge to see what events are occurring, inquiring on how you can help and Step UP and Stand Proud alongside your Elk brethren in volunteerism, fellowship and recruitment. Bring some of your friends with you and introduce them to the Order in which you have so recently become involved. Donna, Dean, Ralph, Ray, Bridgette and Jeff you are the futures of the order. We ask NOW that you show your Elk Spirit ! Come back, have fun, get involved, and make a difference.

We welcome you!
