EXALTED RULER ADDRESS | Tracy Horrell, ER, PLP

It's fun to be a pirate but it is exhausting! I want to take this time to say Thanks to all who helped put this great event on! Your hard work and dedication to make it successful is greatly appreciated!

We are getting close to a new Elk year and as we get closer I think about all the accomplishments that we have achieved. We have helped The Children's Home, Big Brother and Big Sisters, Change Bridge, Liberty Manor for Vets, Athena House, James A. Haley hospital, all through our ENF grants that we were awarded. What a great feeling!

Our lodge members have also worked hard this year to contribute to the lodge by supporting the bar, the events and functions, Friday night dinners and Sunday Breakfast which has enabled us to put money back into our PIP fund, this helps to insure the future of Tampa #708.

Spring brings on new beginnings and soon my time as ER will be over, it feels like the time has flown by and I have enjoyed every minute of it. I am proud to be a Elk and I feel very honored to represent Tampa #708.

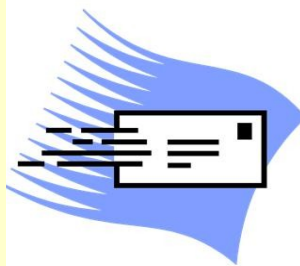

Our awards night has been moved to March 14th starting at 6:30 pm . Please look for more details in this issue and by the email blast. If you are not receiving notifications by email please contact me or email Marty Quire at mquire@tampabay.rr.com .

See you at the lodge soon!

Fraternally,
Tracy Horrell,ER

ELKS PAY LIBERTY MANOR A VISIT:

Members of the Tampa Elks Lodge Post No. 708 visited Liberty Manor for Veterans during the holidays to ensure the veterans there would not be forgotten. Members showered the veterans with Christmas gifts and other items to express their appreciation for their military service. Tampa Elks Lodge Post No. 708 is led by Tracey Horrell. The mission of the Elks Foundation is to help Elks build stronger communities. Pictured are residents of Liberty Manor and members of Tampa Elks Lodge Post No. 708.

Harry Anna Trust Fund Ornament Fundraiser Final Report

What great fun this fundraiser turned out to be. With the help of Vera Wright, Ashley Hall, myself, Beth and Pat Boyd we raised approximately \$317.00 for this awesome charity to help children. That is what being an ELK is all about isn't it? To unselfishly help others in need.

We need more talented people like Vera Wright who can paint such beautiful pictures of parrots and cardinals. That is how she chose to help a child in need. Ashley Hall who is a non-member used her creative talents to paint ornaments of elf's and my favorite naughty or nice. People like Pat and Beth Boyd who actually came to the Tampa Elks Lodge 708 to help decorate the tree with these awesome Christmas ornaments and Peggy the bartender helped to collect the monies. This was a collaboration of beautiful souls who at a special time of year for children helped to raise an awesome total of over \$300.00 to help in their need of therapy. To all the members and non-members who purchased the one of a kind treasures, I thank you.

Sincerely,

**Tamatha Manley, Inner Guard

Special Thanks!

We want t say “Thank You” to our Kitchen staff **Lynn Brown, Bill Edwards and Bobby Green** for the Excellent meal (Chicago Beef and Fixings) presented during the DD visit. **Once again , our Elks Stepped up and Stood Proud!**

OFFICER OF THE MONTH

Christine Harris

She is full of spunk! A beautiful person inside and out. She took on being Esquire just after becoming an Elk while working a full time job. She recently chaired the New Year's Eve party and what a blast that was! Her dedication to our lodge and our Order is incredible and greatly appreciated! Please welcome and congratulate her the next time you see her in the lodge.

ELK OF THE MONTH

Mark McDonough

He is new to the lodge and jumped into action by helping in our kitchen on the 3rd Sunday of the month! He is there to help set up bingo, for events and most recently he has been helping in the office. His positive attitude is greatly appreciated at the house committee meetings. He is a great asset to our lodge. Please congratulate him when you see him. Mark, Thanks for everything!

District Deputy GER Visitation

West Central District "District Deputy GER" Steve Harmon, "Grand Esquire" Jeanie Reinhardt and "Grand Auditor" Toni Goodrich attended Tampa Elks business meeting on January 23, 2013.

Steve delivered a report from the Grand Exalted Ruler Thomas S. Brazier.

He also reported on our recently completed "Book inspection," the great things Tampa Elks are doing in the community. He then turned the floor over to Mike Pierson for a report on the 2013-2014 District officer appointments. The night was very informative and helps us remember there are many lodge aspects which help to make the "Benevolent and Protective Order of Elks" a thriving and viable entity within our community.

Hello Members! How is everyone? Very well I hope.

Since this is an article and not a report, I will go right to what is on my mind. It begins with the Jolly Corks, the early history of the Elks. Anyone who has ever read or been told of our history realizes the Jolly Corks were entertainers. If you hold the title of entertainer, it would seem like you would like to make people happy, make them laugh.

As the group grew and formed, they decided to select a name. Part of the reason "ELK" was chosen, was it is an animal that is "timorous of wrongdoing". An Elk avoids evil and aggressive combat. It symbolized to the original group the values they wanted to stand for.

Along with the name, this original group also had the task of drafting rules. Hence, we now have statutes and by-laws which I see members read and refer to all the time. Although I have also read through these books, my favorite one is "What It Means To Be An Elk". Please note that this new member guidebook states "We seek to bring into our family only those who delight in wholesome associations with congenial companions, who possess a deep sense of patriotism, fair play and dedication to noble causes...". Gee, if only we could use this simple booklet as our guidelines for our actions, as it was intended. Not that I don't understand the other books, because I do. When we each took our Obligation, we became members of the entire order of Elks. We are all subject to the same Statutes and the By-Laws of our Lodge. We all share the responsibility for our Lodge's acts. The point is, Elkdom doesn't have to be that difficult. I GET IT. I hope everyone else does too.

More New Years FUN!!!

**Americanism -
American Presidents and Everyday
Elks Members
Dick Florance Americanism Chairman**

History properly reprises the memory of American Presidents in February of each year -- names such as Lincoln and Washington that over our time we hear and learn to revere during February. As Elks we work together as teams of committees to proudly plan, develop, and produce events -- many that continue to repeat specific and beneficial goals for our lodge's successes throughout our local, county, or state's particular needs; and these events become the traditions and customs there are a part of the social fabric of our Elks community contributions.

There are many ways that our Elks make contributions to America; to our state and local communities every day. So I say to you as an everyday Elk in your lodge - have you made your donation to Elkdom today—be it by spending time with fellow-Elks - be it with a financial donation to the Elks National Foundation or to our Florida Elks Charities - be it with your Elks time with a Veteran's project at a V.A. Hospital or in your lodge - be it as a lodge officer or as an active committee - person within a team in your lodge - be it as a Committee Chair-person for a specific event.

The whole point of this Americanism report is to show any and every Elk member who is true to themselves and true to our tenets of Charity, Justice, Brotherly Love and Fidelity should be held in the highest esteem - to be thanked for those daily deeds done proudly and honorably for all that you do for Elkdom's successful future. Why? Because true Elks Care and true Elks Share!

Youth Activities John Wayne Chairman

Again a BIG thanks to all Elks who made our “Children’s Christmas Party” the biggest and best ever. Thank you from the bottom of my heart. And the Committee—WHOA, What can I say!! We could not have done this without your support.

Save the date of March 17th, yes St. Patrick’s Day.) We have an extremely interesting talk regarding “Say No to Drugs,” by the Honorable Judge Mr. Matthew Lucas followed by an “Ice Cream Social.” This will be opened to any members, family and friends, as well as, any boys and girls of any age. This is a subject very close to our lives, as the drug world is affecting all aspects of our lives. I.E., society, families, friends and most of all, the children whom suffer in a variety of ways. Please join me and Tampa Lodge #708 Say No to Drugs and support our efforts in keeping our children clean. You will be hearing more in the March Elksize on this event.

On Jan 5th, 2013 I attended the district “Hoop Shoot” competition. Nick Brown participated as a representative of our lodge. Nick tried hard and proudly placed 5th in the competition. When you see Nick be sure to say congratulations and thanks for participating in the program.

“Youth Camp” applications for the year 2013 and “Citizens” Youth applications will be available, at our lodge, after the February quarterly, e.g., February 10th. The Youth Citizens award is a program to honor youth , ages 16 and older. Ask me (John) for details if you know someone worthy of nomination for this prestigious award.

Car washes began again on the third Sunday in January. Plan to come out to breakfast and have you car washed at the same time. All monies raised will go to ward the Drug Awareness—Youth Camp programs. A mere \$4.00 donation is requested. Help us expand our Youth programs. That’s all for now,
John

Support for Liberty Manor “Elks provide needed supplies”

Rita Smith took on this project for Liberty Manor just 2 weeks ago. She is a dedicated Elk that drives the message “Elks Care Elks Share” home. She does it for all the right reasons! Through her hard work and expert organizational skills she was able to garner huge support for our veterans. On Monday January 21 there were scores of paper supplies provided by our Elks to assist in Liberty Manor’s personal needs. Delivered to Liberty Manor were 1136 rolls of toilet paper, 21 rolls of paper towels, 2 boxes of Kleenex and a plate of brownies . Congratulations to Rita Smith for yet another successful Elk veterans project.

Hope you noticed!**

Over the last several months the kitchen has been changing and doing better both financially and in quality. We are ordering more expeditiously and have become more efficient in food planning, preparation and training of wait staff support. It is sometimes a 'thankless' job; so, take a moment to let your fellow Elks in the kitchen, Al Schnut, Lynn Brown, and Shelagh Gombarcik, know that you have noticed and appreciate the difference.

Editors note:

The lodge has been helping to offset the cost of monthly veterans dinners by holding Trivia nights (every Third Thursday.) Veterans dinners are held the 4th Friday of every month.) In January, Tampa Elks hosted both the "James A Haley" veterans and "Liberty Manor" veterans for a fine dinner and live entertainment. We appreciate our veterans and all those supporting these events. Our Veterans deserve our best!

NOTICE To Membership

Lisa Snyder has written a letter appealing the decision of the House Committee, meeting on December 11th, 2012, to suspend her from the Lodge for a period of 60 days . The appeal will be voted upon at the February 13th regular Lodge Meeting.

Looking Forward

Pat Boyd Leading Knight

I wrote in the June 2012 Elksize, that “change was coming to Tampa Elks” and we should embrace it or stand to lose those great traditions Tampa Elks have enjoyed over our one hundred ten year history. Some of you took those words to heart and without hesitation, stepped up! To those I give my wholehearted thank you.

While we have moved in the right direction and faced all challenges with a positive spirit, we have more to do and more to be accomplished. The year end is soon coming to a close and YOU have the obligation and authority to keep Tampa Elks #708 moving in this same positive direction.

Come to the meetings (not just nominations and elections.) Participate in the functions, sit in on any committee meeting (choose one to suit your interest.) Most important is to discover the “Heart of Elkdom within!”. Find out what is happening in your lodge and help, in any way possible, to continue moving Tampa Elks #708 in its’ current forward direction!
