DINNER CLUB

If you have not been aware of the Dinner Club, you have been missing a fun, and quite tasty time. Third Sunday every month this group of Elks meets at 5pm at the Lodge and enjoys a meal they made. At right you see some of the participants in the April dinner....Every dish was made using BACON.....From Bacon Mac & Cheese to Green beans with bacon to bacon on-a-stick, coated with chocolate (picture below), bacon-wrapped wafers with cheese, and bacon-wrapped chicken livers. There was much more.....including a bacon-peanut butter cookie! Plan to come by and join in the fun.....check each month.....May 19th we'll be enjoying any type of comfort food as enjoyed by your mother. Candy Hodgson, Chairperson

EXALTED RULER ADDRESS | Pat Boyd, ER

Having Fun Yet?

Well, we are about to start month 2 of the New Elk Year. There has been a lot of activity around our lodge and I hope you have taken part in at least one of the functions. I am sure that May will prove to be just as busy. I have been asking many of you to 'kick it up a notch' but, I want to make sure all get the same request. We need everyone to do a little so that we can accomplish BIG. I guarantee, the more you get involved, the more FUN you will have.

The following are some FOCUS areas where we need work. The Bingo committee is being revamped. As you may know this is our major fundraising arm for community projects. Last year we supported many children and veterans through bingo. The only requirement for bingo charities is that monies go to 401C3 charities. Bingo is held on Monday nights and is over by about 10:30 P.M. I ask you, our members, to help me form two groups of five (5) people committed to Bingo. It is a FOCUS area that will make a difference in the lives of others! You will have some fun and develop more fraternal spirit within our lodge. Want to make a difference in our community – get involved in Bingo. It is FUN and FOCUS applied! ALSO, we have some "Hall Donations" coming up in May (check the calendar for dates.) We

will need some assistance! These "donations" help fund the lodge and reminds us that with a little individual effort we can accomplish great things. This FOCUS area, leads me to OUR facelift! Thanks to some generous donations, we have enough paint to finish the job. Just like your home, our lodge upkeep is a necessity. The best effect when helping around the lodge is the fraternity you experience. It is easy when fellow Elks chip in their time and effort. I guarantee the fun, before, during and after these events will continue to grow our lodge character and is "PRICELESS!"

We are still having Dinner and Entertainment on Fridays and will be trying some other venues in the future in an effort to entice you down. Watch for them.

BTW: if you haven't sent your email address to Marty, do so soon. Messages regarding events are sent out regularly. You don't want to miss that BIG event!

Finally, the Florida State Elks Convention will be in Orlando at the end of MAY. Our Convention Committee has been hard at work to make this years' hospitality suite the best in the state. I hope you make plans for at least a day trip. Stop in and enjoy the festivities! It will be an experience!!!

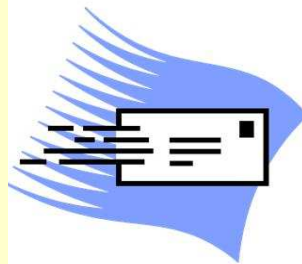

I close by saying **THANK YOU** to all who made our first month a Fun and Focused experience!

See you soon....At the Lodge!

Stay in touch with the Lodge even if you can't be there!

E-mail your questions, comments, and suggestions to the Office.

As part of the NEW Tampa Elks Lodge "Improvements", we have adopted the Grand Lodge Committee format. There are really three (3) basic committees, I.E., Auditing and Accounting, Community Activities and Lodge Activities. We hope you ask your Committee persons what you can do to get involved In projects.

Reminder!!!!

Exalted Ruler Pat Boyd has asked that members bring in their old issues of Elks Magazine for distribution to S. Tampa businesses to raise the level of recognition of Tampa Lodge within the community!

LOE PRESIDENTS REPORT**Sue Moore LOE PRESIDENT**

I hope everyone is enjoying the warm weather. I would like to thank everyone for your patience during my first meeting. I hope the next one will be much smoother. I would like to thank Rita Smith for taking over the 365 Club. At the last meeting I challenged everyone to fill at least one house and anyone who filled more will be entered in a contest with 1st and 2nd place. See any board member for more information.

I would like to exceed last year's total!

As we get ready for the Elks State Convention a reminder to bring any donations for the "Ladies Basket" by May 1st. We want to begin selling chances. Also the scratch off board is ready and we are selling chances during the week and on Friday evenings. Drawing will be held May 24th at 4pm. "Good Luck!"

I want to close by thanking everyone for your support in the past and future...and also for paying your dues!

**365 Club – Rita Smith**

Do you know what becomes of the money you put in those little houses around the Lodge? That money is collected and reported each month by the Lady's Auxiliary, and placed into a restricted fund. In August, the money from the entire year is sent to the Florida Ladies of the Elks (FLOE), where it is again consolidated with the money collected by all the Auxiliaries in Florida. At the FLOE conference it is presented to the Elk's Children's Therapy Services and earmarked towards the purchase of replacement vans for the Therapy Services. As of the April meeting there was just over \$500.00 in this fund. We are less than ½ way towards our minimum goal of \$1000.00, and we only have 4 months to catch up!

The Tampa Ladies of the Elk's president, Suzanne Moore, has announced a contest to see who can fill the most boxes by our June 5th meeting. There will be prizes for first and second place. Please reach deep into your pocket to support this worthy project.

If you place bills instead of change in the houses, please write your name on them so I can acknowledge your contribution. You can also take our house to your home to fill up as you empty your pockets each evening. Just grab one from the dining room tables and we will replace it.

From April 2nd until April 15th, I have received filled houses from Sue Mason, Flo Wayne PLP and John Wayne PER, 2 houses from Bill Edwards, PER3, PLP, and 3 houses from Bernie Turpin, PLP. There were also anonymous donations in the houses around the Lodge, and I thank each of you that dropped a coin or bill into a house.

Elk of the Month

Several people have worked tirelessly during this transition month. It takes a special commitment to stand out when everyone is working so hard. This month; however, one individual has done just that. He has always been around, but this month he has “worked countless hours” on budgeting, inventories, deliveries and most important guiding our House Committee. I cannot say enough about this man and his tireless effort. He has proven to me to be a major asset, from coordination to implementation, to cleanup from our recent plumbing debacles. Take a moment when you see **William T. (Barnacle) Edwards**, THANK YOU for working tirelessly as our House Committee Chairman, PER, PLP and **Elk of the Month!** Bill You have truly shown your Focus for our lodge while still having FUN!

Elk Officer of the Month.

The Officer for the month is one who truly has stood out since the beginning of the year. She has spent many hours working on the “Relay for Life” project, and the ongoing “Open Arms” Program. She has taken the time to spread the Fun with her cheery wit and demeanor for the entire month. She has shown me that we can truly have FUN while Focusing on the vision of Elkdom. Finally she was responsible for the Installation meal and most recently the luncheon, for the District Deputy Clinic held at our lodge. **Courtney Taylor** steps up when asked even with her busy business schedule. Please join me in thanking Courtney when you see her on being the **Officer of the Month** for Tampa Elks!

THE EVER-CHANGING FACES and GRACES of ELKS DIVERSITY

As our new Elks-year continues thru March of 2014 every lodge member should review and reflect upon the old familiar faces with their usual, but at sometimes different ways and means and be patient and understanding , as well.

At the same time as we find new members with sometimes very different or even odd ideas, and ways and means of accomplishing our Elks happenings and events. All Elks should listen to and get advice from every Elk - old or new member alike. Why you ask? Because new, fresh ideas and methods of Doing that stimulate new and old members - is a very real component of almost every Committee in all lodges. These new things or ways and means add to the faces and graces that add to thru their diversity of ideas - the enhancement and potential for a successful event such as an Easter Basket sent to the Children's Home in Tampa, or to raise funds for the Florida Elks Youth Camp, or the Florida Elks Children's Therapy Services programs.

As it so happens Mother's Day is Sunday, May 12th, 2013. Remember that all our lives begin because of our "Moms" - so say prayers for "passed Moms" and send cards or telephone your "Moms" still living that will continue to send "everlasting love."

As our new Exalted Ruler - Pat Boyd has said, "Fun and Focus" is our lodge's way to continued future successes. So as fellow-Elks lodge members, sit back and look forward to both contributing and enjoying the successes that our lodge will make this year. Be active and suggest new thoughts, ideas, projects, places to go - that will enthusiastically make a positive difference for us all. Happy trails to all Elksdom because Elks Care and Elks Share for all worthy endeavors.
