THERE'S LOTS TO DO WITH TAMPA LODGE #708!!!

EXALTED RULER ADDRESS | Richard Florance, ER

THE TURNING OF ELKS TRADITIONS, a new year of 2014, with January as its name - new challenges to our lodge's leaders to sharpen our edge of Elkdom's activities.

What "game" you ask - will we play? American Elks have our revered mottoes of Charity, Justice, Brotherly Love, & Fidelity - but hold on - a certain turn in the future truly lies in wait.

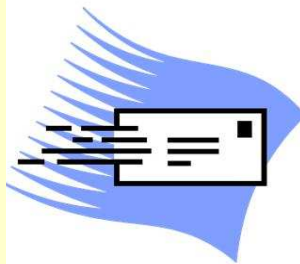

As Elks we must turn in "right directions" that will secure our uncertain futures! Modern technology with computers, E-Mails, I-Phones, the Internet, Facebook, & Twitter we must learn to master. Why should we as Elks have to learn to become "faster"? Because we must be able to turn with the "Tides of worldly humanity", from learning to understand & properly use - this excitingly infinitesimal burst of Informational Technology that is vital to continue to practice the use of our MOTTO'S for now & for Elks future. So as Elks lodge members - give up your thoughts that don't "measure-up" any more. Try harder and be eager to learn all about your daily living "styles" - in other words - look forward to your goals, hopes & dreams as you did when you were younger. If you are a younger Elk, in your 20's, 30's, 40's, or 50's - believe & practice your "Technology Crafts" & teach to others the value of your knowledge that will help your Lodge become a more successful & happier place to come to help perpetuate the successes we find with Charity, Justice, Brotherly Love, & Fidelity in your hearts.

Become a leader - each in your own way - to "mentor" others -- and please don't just sit & wait to be asked - come forward and be willing & eager to share your ideas, thoughts & dreams for a better future! Continue to remember that Elks Live & Elks Give because Elks Care & Elks Share.

Happy New Year to all!!

Stay in touch with the Lodge even if you can't be there!

LOE PRESIDENTS REPORT

HAPPY NEW YEAR to everyone! I hope your Christmas was blessed with family and friends, and lots of good food.

Thanks to all who helped with the Christmas Bazaar. It was a busy night and lots of fun. There were lots of baked goods and many items were sold. There will be a report on the sale at the January 9th LOE meeting.

Now it is time to get ready for the Yard Sale, Saturday, February 1st from 8am until 5pm. We hope to have clothing, electronics, furniture, and anything of value any of you would like to donate. So, get started cleaning out your attics, closets and garages. We will begin accepting items on January 20th If you should need help with picking up some item, please Contact Sarah Ferguson or me. We will try to make this successful and fun!

As I look back on last year, I feel blessed with knowledge, new friends and loved by all. As I close the year out I leave you with these words....*"And the angel said unto them, Fear not, for behold I bring you good tidings of great joy, which shall be to all people."*

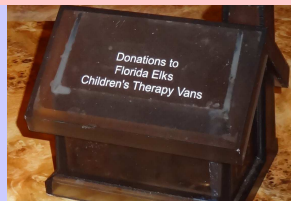

God's Blessings
Suzanne Moore
LOE President

365 Club Rita Smith, Chair

The 365 Club donations can be confusing...even to me! I was recently asked to take money for Harry-Anna, and said I didn't do that. **I WAS WRONG!** They meant 365 money, and of course it is eventually turned in to the Harry-Anna accountants. But first, it is collected and held by each individual Ladies of The Elks 365 Club until August. Then it is dispatched to the chairwoman for the Florida Ladies of The Elks where it is combined with all the 365 donations from around the state, and donated to the Florida Elks Children's Charity Services or the Children's Youth Camp as each LOE indicates. Tampa LOE has traditionally collected on behalf of the Florida Children's Therapy Services. Before that it was for the hospital.

Last month we turned in less than \$40 to the fund. I think November was our lowest month ever. I hope that while you are basking in the Holiday glow you can spare a dollar or two for the children the Florida Elks have pledged to support. Just drop it in the box on the table or bar. Put your name on it for a mention, and you might inspire someone else to donate.

This month I received cash donations equivalent to a filled house from LOE Secretary Donna Halsey and Lodge Trustee Jackie Appel. There were also anonymous bills and some change in Lodge boxes. Thanks to all who dropped a penny or more in a house!

LEADING KNIGHT'S MESSAGE

**Paul DeLand,
Esteemed Leading Knight**

Happy New Year, 2014! How fast the Lodge Year goes by.....I am about to enter my 22nd year as a member of Tampa Lodge #708.

The Lodge has weathered a tough couple of years, and the smell of newness is in the air. Many younger folks have joined....A number of them are already deeply involved with either an existing project, or on their own newly-created project.

If this Lodge is to be successful the need to develop our membership in numbers, as well as in involvement is critical. If you are a new member and your sponsor has not urged your involvement, please come to myself, or one of the other Lodge officers and talk about what part you would like to play. YOU are needed.....Our charities need you as well. There is no one who will do anything except help you along your path to future parts you can play in Tampa Lodge.

Remember this: every Exalted Ruler of this Lodge for the past 113 years began their involvement as a newly-initiated member, confused perhaps by the many activities and the knowledge of older members. REMEMBER: Each of us is aging, and those now in leadership roles will need to be followed by the younger, newer members. Grab ahold new members.....The ride goes by fast and you are desperately needed....Your memories are waiting to be built!

AMERICANISM

Richard Florance, ER, Chairman

All across America's heartlands - from sea to shining sea -the distant sound of hoof beats – resounds throughout our communities. With quiet grace and dignity American Elks are coming forth to ease pain and suffering when Nature strikes with unrelenting impunity. No matter what the cause may be – whether illness, injury, or the scourge of war, the weather, or death from disease - the drumming of Elks hoof beats become ever-louder until you see - wherever a need is heard, Elks will always come as they always have throughout America's history.

The drumming of Elks hoof beats means that Charity for all reasons is steadily on course to find many ways, and so all Elks will continue to help throughout long nights and into shining days - to come to America's assistance - because for all Elks both young and old; our military veterans; our children and our families; our cities and towns that mean so much to us - brings forth new benevolence and hopes for a better, more tolerable mankind.

With this new year of 2014 comes new promise and good cheer to all our American peers. Our faith in God; a newly-found earthly peace calls for us to lock arms and hold hands together in anticipation of better times - so that when we as American Elks conduct our nightly toast to our absent , but never forgotten members the tolling of eleven strokes of the Chimes of Memory will eternally renew our faith and trust that we will someday see the healing of and the feeling of better future times -- and so the Drumming of Elks Hoof beats continues on and on – because Elks Care and Elks Share!

ELK OF THE MONTH—Lynn Brown

I chose for this month Ms Lynn Brown who has been an Elk in our Lodge for many years - from her early childhood to the present time. With her cooking skills & (at times) fiery temperament regarding the production of "good food"- she cooks - when many times no one

else volunteers. Lynn works right along with Al Schnut & at times since I have been Exalted Ruler I have seen Lynn & Al become the Kitchen dynamic duo who often team-up to meet the Kitchen challenges that face them when they occur - and they face them & make good meals for Elks appeals!

We will all miss Lynn in the immediate future because she has secured employment elsewhere as a cook in South Tampa. Good luck & good fortune to you & thank you for your many years of faithful service to Elkdom. We know you, as a Lodge member, will come back whenever you can!

Lynn will still volunteer on Sunday morning breakfast's.

OFFICER OF THE MONTH— Al Schnut

Officer of the Month honors go to our Loyal Knight - Mr. Albert Schnut for his faithful & continuous service to the Lodge's Kitchen. Despite having a full-time job with Bay Care Health Services- he volunteers his expertise as a quality chef that produces many of our best meals in the Lodge. He loves to practice his "favorite hobby" & the results are delicious.

Al also is our Elks National Foundation Chair and we should all watch for his special February 2014 ENF fund-raising event - coming soon. Thank you so much for all you do and will continue to do for Tampa Elks Lodge as an Officer & Member of the Board of Directors for your contributions to our future charitable works.

Lodge Roof Proposal

On January 8th a recommendation from the Board of Directors on replacement of the Lodge roof, and the funding for same will be read to the membership. Your Board has voted to recommend OPTION #1 below. At the January 22nd Lodge meeting the matter will be voted upon. Below is a comparison of the two plans for financing which were considered as options. As a side note, no fewer than three different firms were contacted for a look at our roof and consideration of a repair/replace alternative. All came to the same conclusion....the roof is not repairable beyond one year....with no guarantees!

OPTION #1

Recommended by The Board of Directors of Tampa Lodge #708

1. Use existing funds from two Investment Assets to complete a Roof-Over method of restoration. The Westfall Roofing Company offers a 20 year materials and labor warrantee for just under \$37,000.00 that includes a 1st 5 year enhancement of Early Roofing Life.
2. Lodge P.I.P. (Partners In Progress) fund investors agree with the Board of Directors that the recommended NO RISK/NO DEBT option is best.
3. This option would not use/affect Annual Dues Funds.
4. Option #1 would favorably encourage the Lodge's membership to donate to rebuild the Lodge's Investment Funds while remaining debt free.

OPTION #2

NOT Recommended by the Board of Directors of Tampa Lodge #708

1. Pay one-half of roof cost from existing Lodge Funds and Secure a Commercial Building Property Mortgage Bank loan with a five year pay-off term at approximately 6.5% per year interest. This option would obligate the Lodge to pay about \$392.00 per month plus taxes and insurance for the 60 month term. (Early payoff of a Commercial Property Loan is NOT an option...full payment of loan and all interest is REQUIRED.
2. The 2 Lodge investment accounts are in mutual funds paying about 1% annually.
3. Utilization of a Commercial Property Loan would obligate the Lodge to increase fund-raising levels substantially during the 5 years of loan life.
