I want to take this time and say "Thank You" to Frank Palladini,(PSP) Patty J, Elma, George Hilficker, Sir Bob Surheinrich, Courtney Weil (PER) Carolyn Breit, Susie Harlow, Kimber Hoskins, Logan Matthews, and Darby, the Lady Outlaws, Shelagh (PER), Jeanne Reinhart(PER), Bartenders Delana and Jessica and Jeannie and a very special mention to Wendy Hall, Tracey Horrell (PER) and Paul DeLand. If I have forgotten anyone, I am truly sorry but you also deserve a great "Thanks!" On July 28, we had our VP Visit and it turned out better than I expected. Our West Coast District Vice President, Tony Fratello was so very appreciative of the event and the evening. The food was great. The presentation and messages were on point. And everyone had a good time. That night, we had an extra, impromptu event of having members sit on the chaise for a donation and we raised over \$150 for Harry-Anna Trust Fund. It was a wonderful night and we showed the rest of the district that we ARE a fun lodge. AS for making history...I don't know if we made history, but I do know that many of our visiting members did not leave in such a hurry. The following day was the Quarter Auction with the MGM Marketing Group. That event, when we got the hang of it, was exciting and fun. Many came in and won a lot of great things. Vendors showed off their wares and a good profit was made for the lodge. The kitchen did well, the lodge did well. This event is and will be suggested to be done quarterly as it should bring in more and more people into the lodge, making it a membership drive. This event was a great way to meet and make new acquaintances and possibly build a networking chain. This was a very exciting week for the lodge as it was busy and it introduced the lodge to some new and old faces. This is what we need to bring to the lodge, "Activities and Events!" This is what will put "Rumps in Seats" and advance our lodge into the future. Keep up the good work folks and let's keep the momentum going. **In Fraternal Brotherhood, Dee Cisneros,**

August Elks Recognition

OFFICER OF THE MONTH:

Sharon Ford...One must give HER a round of applause. She has stepped up to become the Lodge Esquire, although her knees may have been rattling. She knew what the job entailed and she took on the responsibility. A lot depends on the lodge Esquire and Sharon is meeting each challenge, head on. Even though she may seem a bit skittish, she still stands by her commitment...without losing her voice. Sharon also always offers assistance to anybody working on a project when she is in the lodge, will stop in the kitchen to wash some dishes, and just put in a week

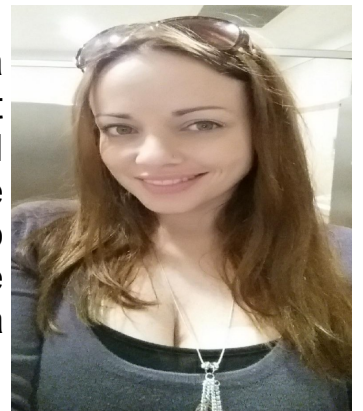

ELK OF THE MONTH:

Marty Quire...the man behind the scenes. Even though you may not see him or even know who he is, he is the one that makes sure you get your information electronically and in a timely manner. He updates the email lists, gets information out on the webpage, and also does karaoke. He is part of the well known Quire family and takes his work with the lodge very seriously. He is a pleasure to have as an A/V representative and can make your presentation come to life. Thank you, Silent Sir.

VOLUN"ELK" OF THE MONTH:

Jessica Hood...a hard worker with a great sense of humor. Jessica can really get those drinks out and some drinks, you may not have an idea of WHAT it is. But she does her job very well and expressing her horticulturing prowess can be seen outside in the smoking area. Jessica does her part at the lodge by stepping up and doing the little things that we may not see or need some attention to. She is willing to help the lodge grow and brings a sense of delight in her attitude.

WELCOME NEW MEMBERS

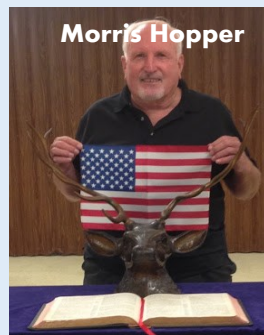

Jorge Ugarte

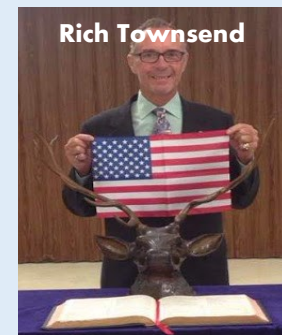

Zhenya Nichols

Jennie Somers

Morris Hopper

Rich Townsend

Meet our newest Vet in our Welcome Home family, Angel.

Angel served in the Army from 1995 until 2001. She fell upon some hard times just over a year ago and had to send her two kids to live with her cousin in DC. She was in our Lodge several times early this year as part of our Freedom Grant and was here for the Veteran's Committee dinner for the Domiciliary Vets on Shelagh's specialty sandwich night in July. She happily claimed a microwave and two bags of household items for her new home. Yes, after 6 months in the Tampa Domiciliary, Angel has now been re-housed. Best of all, her kids will be joining her in time to start school in Tampa this year!

I visited Angel in her new home, and I was very impressed by her industriousness and her good taste. She has only the basics for her kitchen but has nice living room and dining room furniture. She even has a couple of brand new lamps she had put on layaway while in "The Dom." She is excited to be making a great new home for her children, but she can use our help!

She has bedroom furniture in the room she and her 12-year-old daughter will share but is waiting on the queen-sized box spring and mattress Tampa Crossroads is supplying, however she needs a full bedding set of sheets and comforter or bedspread.. A decent nightstand lamp and an alarm clock would be helpful, too. The room for her 17-year-old son is completely empty, and needs a whole bedroom set: bed nightstand, chest of drawers, desk, etc. She needs towels and washcloths for both the bathrooms and the kitchen, as well as kitchen bakeware, a can opener, a knife block, and other nonstandard kitchen tools. She had no cleaning supplies, so if you bogo....

She really is concerned about paper products, especially toilet tissue, paper towels, napkins and food wraps. Energy efficient light bulbs are another need. Her kids are flying down with a suitcase a piece – so they will need clothes for school. The 12-year-old will need uniforms – she is about the normal size of a kid that just turned 12. The 17-year-old wears a size 9 shoe, 34/30 pants, and a large top. They both will need all school supplies – and quickly. Angel wears a 6 1/2 or size 7 shoe, size 10 pants and size large tops. She usually shops in the petite department, standing about 5'2". Angel bought a TV while in the DOM, but would like another Flat screen TV in the house, since there will be three of them. She had cable, but no internet. She had the VA's HUD-VASH voucher to make sure her rent and utilities are paid, but only a tiny income, at least until she starts school under the GI bill in December. If you can help Angel and her kids out, please contact Rita at the Lodge and she will plan for delivery of any donated items.

LOE President's Message

As the dog days of summer are upon us, the LOE is still plugging away giving it their all. Our goal of \$2000 for Children's Therapy Services has been met, an accomplishment all of the Ladies should be proud of.

We worked hard on that, many little green houses, bags of assorted change and a Walk A Thon! Thank you to all who supported us, we could not have done it without you.

The LOE has a few upcoming events, open to all. The Improvaholics will be having a show on Saturday, August 25th at 7pm. Come and get your laugh on for only \$10. Sunday, August 19th at 2pm is our monthly Craft Day. This month we will be doing glass etching on wine glasses. The cost is 2 wine glasses for \$15 and each additional 2 glasses are \$10. I hope to see you there.

HEY 365'ERS!

We had a great month thanks to our friends at MGM Network. They gave us a bag of pennies so big that I needed help carrying it out. Much Thanks! We also had money or houses from Laura Jones, Bonnie Atwood, & the bar. Please don't forget to throw your change in a box when you are at the Lodge. It really adds up. We have been doing so much good with the money supporting our Florida Elks Children's Therapy Services with their need for new vans. Much Love, **Berni Turpin**

All the children that went to youth camp this year had a great time. Our per capita starting this year 2018-19 is the same as last year.\$4.75 Lets stay on top of our division again this physical year, #1 in our division and the State,

ELK's Special Announcement

Can YOU Help the Elks Be a Beacon of Hope to the Homeless in Tampa?

For the sixth year, Tampa Elks will partner with the Open Arms Ministry at Hyde Park United Methodist Church to offer a weekly Brunch to the up to 200 homeless men, women and children who show up at the church at 7:30 on Sunday morning looking for solace and sustenance.

As a partner, the Open Arms Ministry counts on the Tampa Elks for not just financial help and donations of used clothes and other items, but also for manpower. On the third Sunday of each month, Lodge Trustee Courtney Weil, PER, shows up at 6:30 AM to manage the kitchen for the day. Tampa LOE member, Elma Kelly, shows up next at about 7 AM to be there when the doors open to greet the homeless and make sure they sign in. From 7:30-8:00 more Elks arrive. Two more of our Elks are so dependable they have special jobs – Donna Hulsey is first in the serving line, handing out the eating utensils and napkins. Patty Volpe is second in line with wide selection of bread. Sometimes an Elk is asked to stay and assist in the kitchen, but most of the other Elks find a place on the serving line where they will spoon up some encouragement along with the eggs, grits, meat, casseroles, vegetables, salads, fruits and desserts. We sure are glad when we get a good number of Elks in the building! You can also invite a friend or bring your children if they are old enough. The food is served cafeteria style, and the “customers” can come back for seconds after everyone has been served.

Additionally, Elks and church members carefully wash and donate “red neck Tupperware.” You know – those plastic containers that would end up in the trash after you eat the contents. Cottage cheese, butter, take out or deli meals – all that plastic can be recycled into carry out containers for the homeless to use to take out any leftovers.

You can also recycle your clean, untoned plastic grocery bags through this project. Those have a multitude of uses. They are not only used in the food service area, but also in the clothing closet that is open on the first Sunday each month. I don't know why I call it a closet – It is actually a two-bedroom house. Both bedrooms are lined with shelves. One bedroom is for women's clothing and the other one for men's clothing. Donations of clothing, shoes, accessories, toiletries, towels, blankets and backpacks are another easy way for Elks members to get involved. The crew that sorts the donations works on Thursday mornings from about 9 until noon' and is always glad for extra help.

On any given Sunday you may find a fellow Elk or two at the church helping out, but on the Third Sunday we hope to see YOU! The address of the church is 500 W Platt St, Tampa Fl 33606. The volunteer parking lot is at the corner of Magnolia and Azele. Go into the door closest to that corner. It is marked KITCHEN, and right inside that door you will find Courtney. Just say, “ I am an Elk and I am here to help.” You will be glad you did.

A new Elks year means a new donation goal

Message from the Grand Exalted Ruler

MICHAEL T. LUHR

I am gratified and humbled to have been chosen as the National President of an organization that does so much for communities all across this great land. The hard work of every Local Lodge Member is what makes our charitable work possible, which is why I chose the theme “Working Together to Make a Difference” for this exciting new Elks year.

As Elks, we are all working toward a common goal, whether it be Lodge Members giving back to their communities, strengthening a charitable organization through a State Association’s Major Project, or enriching a life because of a Grand Lodge Program. These are the ways we truly make a difference in people’s lives.

This year, I have set the ENF donation goal at \$4.75 per Member. I encourage everyone to donate. When you give back to the ENF, Lodges throughout the country are able to take advantage of the numerous charitable opportunities it provides. The difference your Lodge can make in your community is more than doubled by taking advantage of these incredible opportunities.

I also encourage you to take a hard look at the programs and contributions your Local Lodge makes to your community. Is your community aware of the impact your Lodge makes on the lives of people living in your town? Are your contributions meeting your goals? Are you making the most of the ENF grants offered through Grand Lodge?

The Elks provide the perfect opportunity to get involved in projects that benefit the community while enjoying the personal rewards that come from unselfishly giving back. Best of all, we reap the rewards of benevolence while enjoying the camaraderie of our families and closest friends. Make sure that both current and prospective Members are aware of the good work you’re doing in your community. Provide them with a well-maintained, inviting, and fun place to socialize. Not only will your Lodge grow, but you’ll also find more people eager to volunteer.

Barb and I are looking forward to our travels across the United States to see the great work you’re doing in your Local Lodges and State Associations. Most of all, we are looking forward to meeting all of the amazing Elks who are so dedicated to our grand organization. Hope to see you soon.
