Here we are, June. The summer is knocking at our door. But with June, many significant events and dates occur. And as we are a fraternal organization supporting Veterans, this month some will be observing the U.S. Army birthday, D-Day, and Battle of Bunker Hill. Expanding additional pride in America with Flag Day is to honor and celebrate fatherhood, paternal bonds, father figures and the influence of fathers in society, it is a day we should recognize those persons who have made an impact on our lives. Somebody said, "The greatest gift I ever had came from God; I call him Dad". Looked upon as the provider, the protector, the savior, a creator and even a Super Hero. Pope John XXIII said, "It is easier for a father to have children than for children to have a real father". Father's Day has been named so to remind us to find time to remember our Fathers in whichever way we can. When I was growing up, I watched my Dad as he taught me A LOT. From cleaning an animal carcass, working on a car, tying a necktie, knowing right from wrong, and most importantly, how to be a man and a leader. I lost my Dad when I was only 20yrs old. I still treasure him so much that not a day goes by, you will not hear me (or my brothers) mimic him in voice or words. Something I knew from my Dad is that he never gave up. He was a fighter. With many things he set out to do, he did it with vigor and obtaining his goal. That same trait, I too have. I will strive to be the good, strong and competent leader of the lodge as my Dad would have approved. Let us remember those fathers who have put a lot of time and energy into the lodge. For through their caring and sacrifice, we are still standing as a lodge today.

In fraternal brotherhood,

Dee Cisneros, ER

We welcome you all and we hope you will find your home at Tampa Elks 708 to be pleasurable and rewarding. Our new members should know that we are looking for volunteers to get involved in some of the great aspects of the lodge, whether it is helping with activities inside the lodge or volunteering out in the community.

## June Elks Recognition

### OFFICER OF THE MONTH:

Tommy Moore...better than the Best Man or the Right Hand Man, Tommy is the MAN. He gives of himself and doesn't ask how high, he just jumps. A true powerhouse when it comes to getting something done or there to lend a hand. Tommy has been a member for quite some time and has really picked up the flow of the lodge. Tommy is the assistant to the Bar manager and helps out in the kitchen. Great job Tommy. Keep it up.

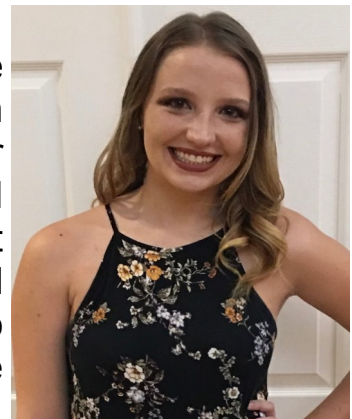

### ELK OF THE MONTH:

Patty Jankowicz...She is a Trooper. She may have a small frame, but she can carry a load on her back. She was very instrumental in bringing back the "Weenie Wednesday's" and has done a lot around the lodge including the State Convention. She is a Spitfire and when she is bound and determined to get something done, she gets it done. Her presence at the lodge is noticed, especially when there are tickets to be sold. Please keep what you are doing, because without you, we would be moving along at a slow

### VOLUN"ELK" OF THE MONTH:

Darby Ciaravella...our "Silent Angel". She does a lot around the lodge and you don't even see her. Her hard work and dedication during meals and other various projects, demonstrates her willingness to help when and wherever she can. She is real spark when it comes to finding someone who will give without asking, "Why". What she brings to the lodge, is that added youthful spirit which in all honesty, rather calming. We hope to see Darby continue to do what she can around the lodge for she

We've had a good 2 months but its starting to slow down, so please take a house or put some extra change in the little green houses on the bar. Here are our donations for now: Donna Halsey (2), Debbie Osterbrock, Patty Jankiewicz, Tony Moreno, Robert Bordonaro, Linda Reid, and Betty Orcutt. I have temporarily misplaced my book in which I write down all the donations, so If I missed your name please let me know. Thanks so much.

The summer will go by fast, so enjoy the time off from School. Check out the Elks Kids Summer Camp online at: [fraelks.org](http://fraelks.org). You will be glad you did.

Thank you so very much for sending 88 lucky and well deserved children to Youth Camp this year. You have again beat last years total. Congratulations to all who had a hand in accomplishing this feat. Let's do this again next year, but next year, send even more children. Hope you all have a nice summer.

Good day from the Chaplain's Corner. Together we celebrate our faith and fill our spirits with hope. As always, it is my privilege to pray for you or with you. Please send prayer requests, favorite scripture passages, beloved prayers, or reasons/needs for lifting up our brothers and sisters to: Chaplain, Rebecca Sullins at [rsullins1@yahoo.com](mailto:rsullins1@yahoo.com) or 813.546.1562.

**Please pray with me.**

Lord, make me an instrument of your peace. Where there is hatred, let me sow love. Where there is injury, pardon. Where there is doubt, faith. Where there is despair, hope. Where there is darkness, light. Where there is sadness, joy. Grant that I may seek not so much to be consoled as to console; to be understood as to understand; to be loved as to love. For it is in giving that we receive; it is in pardoning that we are pardoned; and it is in dying that we are born to eternal life. We ask this in Jesus' name. Amen.

**Chaplain's Chuckles!**

A Mom went to wake her son for church one Sunday morning. When she knocked on his door, he said, "I'm not going!" "Why not?" she asked. "I'll give you two good reasons," he said, "One, they don't like me. Two, I don't like them." His Mom replied, "I'll give you two good reasons why YOU WILL go to church. One, you're 47yrs old. Two, you're the Pastor!"

## Grant Reports Continued

### Club Chivalry News

Our final club event of the 2017-2018 school year was participating in the Relay for Life of Tampa on April 20th. The Relay is a fundraiser for the American Cancer Society, and is held on the track at Robinson High School. It is a very big deal for all the schools in South Tampa. Our Club sponsor, Elk Kristina Chowning, was the Event lead again this year. I took the role of team captain.

One of the stipulations of the Impact Grant is that grant money cannot be donated to the American Cancer society. (We can, however, use the funds to purchase the items we need to participate.) Club Chivalry must count on the good and generous Tampa Elks to donate to the cause on their behalf. The club accepted outright donations, of course, but we also sold Luminary bags for \$10.00 apiece. This year Club Chivalry was one of 96 teams participating in the event. By surpassing our \$1000.00 goal and raising \$1610.00, we placed 23rd among the 96! That is due almost entirely to the support the Club receives from the Lodge. We had so many Luminarias that they had to change the normal procedure and place ours across the track against the fence! The Lodge also voted to become a signature sponsor, so we had signs – called track markers- around the track as people walked. And when some of our seniors signed up just days before the event - so late I despaired of them raising the \$150.00 a piece to earn their Purple Graduation Honor cord- several good Elks stepped up with large donations to fill the gap!

For the past couple of years, Brian and Michael Brantley have been my partners in this event. Brian had surgery that week - his truck and the manpower were greatly missed. Luckily, Tommy and Sue Moore helped fill that gap. We were up and running in time for opening ceremonies. Patty Jankiewicz and Elma Kelly, Joe LoCicero, Christien Elkins, Robert Bordonaro with his daughter and granddaughter all spent some time helping out with the French Fries and soda sales at our tent. Bonnie Atwood showed up for the late shift, And Logan Matthews and his friend Darby came by to pick y some of the equipment when we had finished with it. The students had been asked to just sign in then do the lap walking, since there is supposed to be somebody from each team on the track at all times. At 9:00 there was a very impressive remembrance walk: The luminaries were all lit, the stadium lights were turned off, the music was hushed- and the word HOPE was displayed in giant letters on both the home and visitor bleachers. Day or night, there was plenty to see and do. Most of the 96 teams had some kind of fund raising going on - food, drinks, games, crafts – something for everyone! Students who had raised at least \$100. and had the required permission slips were permitted to spend the night. We had one student who wanted to do so- And I was the designated chaperone. Luckily, our Club sponsor, Kristina Chowning, was caught up with all her duties by about 2AM and said she could take over chaperoning our one remaining senior. Whew!

### What is a VP Visit?

Every year the summer calendar is dominated by VP visits. To understand what that is all about, you must first know what – and who- the VP is. The Florida State Elks Association, at Convention in Late May, elects a new State President. Each district in the State then has a new Vice President (VP), appointed by the District Sponsors. Last year the VP was our own Theresa Matthews. Beginning in June, it is now Tony Fratello from the Tarpon Springs Lodge. One of the VP's main jobs is to visit each lodge in the district and inform all the members about the great biography of the new State President, so they are informed and prepared by the time the State president comes for a visit in the fall. Luckily for us – the VP Visit has really evolved from the Days when the VP would go to each Lodge and just stand up and read the same Bio that was already printed in the State Magazine!!! All the Officers used to have to wear their Lodge Jackets too – even in August!

Today's VP visit starts with a social hour, and often has a fun theme. It is an open invitation to come check out another Lodge and, Yes – The Bar is open! You will be charged a nominal fee of \$5.00 at the door to cover the dinner which will be provided later. You will also be offered the chance to participate in raffles at each Lodge. Additionally, Visiting Elks (That's US unless we are at Tampa Lodge) usually bring their own appetizers or snacks to pass to tide them over until dinner. We are seated with others from our Lodge. It is a great time to meet some Elks from around the District and to get to know your own Lodge members and officers a bit better. At the appointed time, the bar closes (It's OK to stock up) and the Host Lodge begins the "Official" part of the visit with a pledge and a prayer. Dignitaries and District Chairman are introduced. Next is the roll call of Lodges, where each Lodge reports how many members they were able to bring with them. It is competitive, and prizes are even awarded at the end of the year for participation. (Yes - we NEED You!) There are a very few short speeches, maybe a 10 minute training session on an upcoming change in procedures, and then the Bar reopens and dinner is served. It not a bad way to spend a Saturday Evening. Please consider helping your Lodge by attending at least one this year. Sign up – call or visit - by the Tuesday prior if you possibly can, and we usually carpool from the Lodge.

Rita Smith, Treasurer

### YOUR ENTERTAINMENT NEWS!

Hi fellow ELKS/LOE Members, my name is Linda Reid, an Elk for over 20 years and those of you who know me, I love good live music!

I am honored to take the reins from Robert Summers, who we all owe a Big Thank You for doing such a great job with entertainment on Friday nights for the last several years.

I have started to lineup a different live music entertainer each Friday night for the next couple of months. I am trying to ensure we have entertainers who provide a variety of music from Oldies, Rock n Roll, Country, Jazz, and Pop in order to satisfy most of our members musical taste.

I appreciate feedback on each group, so if the members really enjoy a particular entertainer, I can get them back for another night.

Also, if you are out and about, and have really enjoyed live music someplace, please get their business card and drop it off behind the bar for me, and I will do my best to get them in. We are on a limited budget, but I can often get entertainment to fit within our budget, if they want the exposure and a nice place to be part of a great charitable organization.

We are one of the few lounges with free live music in the South Tampa area, so this is truly a wonderful benefit for our members, so please invite your neighbors, friends and family to enjoy a night out!

Linda Reid, Entertainment Chairman

On behalf of the Brandon, Lakeland and Plant City lodge riders, I want to “Thank You” for your hospitality extended to us for our Mystery Bus Tour on April 21, 2018.

The lunch and desserts available for us were greatly appreciated, and the 50/50 and liquor raffles, also helped put a wonderful finishing touch to a terrific day. We set out on their journey to have fun and make new friends, and that we surely did!! We also raised \$500 to donate to our youth camp—what a Great Day!

Please extend our sincerest thanks to your members who made our visit so enjoyable. We look forward to welcoming Lodge 708 to our Lodges!
