And here we are, September. Yes, the long hot summer days are gone. Children go back to school and now we have NFL Football and the hurricane season to look forward to. I was reflecting back on a few things, and one was a message from our FSEA Secretary, Carl Seibert. "Membership in the Florida Elks peaked in 1990 at 93,213 members. 29 years later our membership has fallen almost 40% and stands at 55,285. In 1990 we had 127 lodges today we have 95. Since 1990 we have lost 47 lodges. These statistics are reflected in the Elks nationally and in fraternal/service organizations the country over. In the many years I have studied membership and the lodge dynamic, including even the human factor. At best and doing the same old, same old, in 10 years our membership will be down to 45,000 in 76 lodges. Today we are at 55,000 in 95 lodges. Many believe we would be better off shedding those 10,000 members! But shedding dues paying members is not good for the bottom line and will just cause the lodge to have to raise even more money to support the ever-burgeoning fixed costs of maintaining the building and subsidizing prices at the bar. We all know the same 20-25 people do all the work in the lodge anyway so to think we don't have just dues paying members today is preposterous. We must allow members to be members first then put them to work. Teach them our ways and it will stop all the bickering and mistrust. Our current model of putting them to work on DAY ONE causes them to quit. By throwing them to the wolves they become frustrated and they soon see that's all we wanted! "This and Convention, makes me want to work harder to keep our doors open, and make Tampa 708 a premiere lodge.

## September Elks Recognition

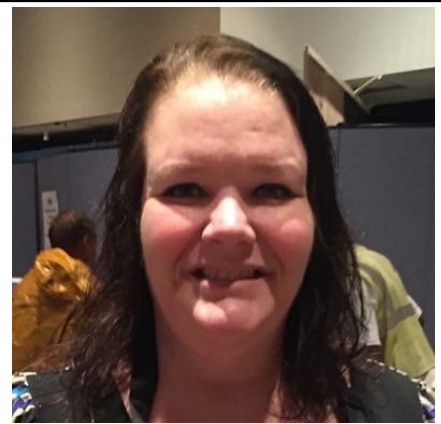

### OFFICER OF THE MONTH:

Chris Miles is the mystic up on the mountain. His involvement and knowledge at the lodge extends to more than just running the TV projector. He works and offers his assistance in to the betterment of the lodge and most members do not know it is him who we have to thank. Chris has made many improvements at the lodge, both major and minor, and often uses not only his hands and his head, but his own wallet as well.

### ELK OF THE MONTH:

Patty is a very busy lady. She has a full time job, is a full time student at the University of Florida, has two adult children who have not quite left the nest, is a twice monthly regular at Open Arms and on top of all that, she is a newlywed. Due to all those commitments, she declined the position of Youth Activities Chair this year. However, when the Back to School Party was looming and there was nobody taking the lead, she gallantly stepped up and made sure it was a success. Thank you Patty, from all of us and the 104 children who attended.

### VOLUN"ELK" OF THE MONTH:

Her Dad, Ken Yerby, was an Elk, though not at the time of his death. She spent some of her youth hanging out with Elks such as Shelagh Gombarcik and the Quires. She volunteered as server when she was between jobs, but continues because she like the re-connections she has made. But she lives in East Tampa and doesn't always have transportation.

### September Birthdays from Carolyn Breit:

Tony Marino 9/4 and Laura Jones 9/11

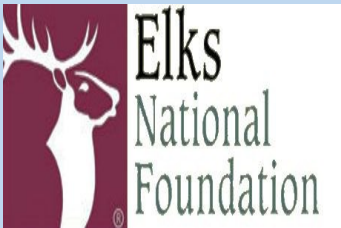

## Committee Communications

Hi 365'ers,

It's been a slow month, but a great year! We met our highest ever goal of raising \$2500.00 for Florida Elks Therapy Services. Please remember our little houses. This very important charity is one of Tampa Lodge's longest standing. Our donors this month are Donna Halsey, Carolyn Breit, and once again, the anonymous donor. Robert Bordonaro is our banker and his help is invaluable. Please think: 365! Love ya all, **Berni Turpin**

Want to thank everyone for donating to the ENF/HATF. It is a great thing to give what you can. It comes back to us thru the Grants that we get for Vets, our events we put on for our children, plus helping out in our Community and much much more. As the saying goes: Elks Care and Elks Share. Please give what you can to a great cause.

Fraternally, **Tommy Moore, ENF/HATF Chairman**

### Drug Awareness:

Hope everyone is settled in for the new School year. It was a very good back to School party last month. Plenty to do and plenty to eat. Elroy the Elk was present for the party. Thanks Elroy for your help with our Lodge program and our hats off to Patty Volpe and her crew for putting this party on for the Lodges Youth Activities. Remember what Elroy says: Be a Hero, Just Say No To Drugs.

Fraternally, **Tommy Moore, Chairman**

Good day from the Chaplain's Corner. Together we celebrate our faith and fill our spirits with hope. As always, it is my privilege to pray for you or with you. Please send prayer requests, favorite scripture passages, beloved prayers, or reasons/needs for lifting up our brothers and sisters to the Lodge Secretary at [lodge708secretary@outlook.com](mailto:lodge708secretary@outlook.com)

Happy days to all from the Chaplains Corner. This is my first article as your Lodge Chaplain and I want you to know that I take my position very serious.

Please know that I am here for each and all of you and that I will always hold your prayers in the strictest of confidence. If you do have a prayer request for yourself or someone special please send them to me directly at [bettynot51@aol.com](mailto:bettynot51@aol.com) or through the Lodge Secretary.

Let us start every day right with a prayer. Let's pray for those less fortunate than us, for those in the military and our Veterans. Let's pray for our Lodge that we may come together as friends.

Keep us from careless words and actions, always serving our Lodge with great respect and and dignity.

In Your name we pray, Amen

Fraternally, **Betty Orcutt**

## Reflecting back to Grand Lodge Convention 2018

This year was an exciting year for Elkdom. Grand Lodge Convention, held in San Antonio, brought new beginnings and new experiences. We saw the introduction and the installation of our newest leaders and the Grand Exalted Ruler. But most importantly, we saw what it means to be an ELK and the great things we do as Elk members. As we all know, stepping out to help our community, children and veterans are understandably, the back bone of our organization, it s the bonds that bind us to carry out our obligations. Meeting others with like minds and like goals, to advance the organization and promote our cause is an overwhelming feeling. The presentations make you feel important, as YOU are. However, you also truly get a strong sense of being an AMERICAN, and that pride of being an American shows and flows through the body. No matter the differences we all have, this was a great "Come Together" moment to understand that we are all ONE. One in this organization. One in our plight to grow. One in our drive to exist into the future.

## Reflecting back to WCD VP Visit

**This year, we had the pleasure of entertaining our WCD VP Tony Fratello with a specialized visit and theme. That theme being Greek Gods and Goddesses...keeping with the Tarpon Springs culture. We had a blast, from beginning to end. A belly dancer, Togas, Tony feeding grapes, jokes, wine from Tony as gift prizes and a fabulous meal. This is what Tampa #708 is about, showing our fellow Elks a good time so they remember us and come visit again. Thanks to everyone who helped. It was a GREAT NIGHT!**

## Dear Friends of 708,

The Tampa Lodge Officers and Board of Directors wish to thank you all for your continued support of YOUR local Lodge, Tampa #708. There are many ways to help support your Lodge, Veterans, Children, the Community and other local charities; renewing your membership is just the beginning!!

We now have a program to help you help us help others! As times change, prices increase, and membership in fraternal organizations wanes, it becomes harder and harder to maintain an organization focused on giving so much to others. To maintain a building where members can meet with others to have fun, conduct a meeting, or organize an event focused on supporting our Local, State, and National charities, donations are needed ever increasingly.

Our new "**Friends of 708**" is a Lodge based program, where members can make donations either one time or sign up for recurring donations with a credit card. This donation will be used for Lodge preservation, to help pay for daily and or special needs of the Lodge, e.g. replacing equipment, painting the building, repairing the parking lot, basic curb appeal and maintenance of our Lodge to remain relevant and accessible to our members!

The donation can be made online or can be mailed to the Lodge Secretary's office. The credit card setup is done through a PayPal® account (see below for details). Note that donations to this fund are not tax deductible.

We are encouraging all members to sign up for the "**11th Hour Pledge**". This pledge is a *recurring* pledge of \$11 per month. You can put your name on this pledge or you can put "In Memory Of" since the 11 O' Clock Toast is to honor our absent members! You can even make it anonymous, if you want.

You can access the link below or the "Friends of 708" link on our website, [TampaElks.com](http://TampaElks.com). We will also have a Friends of 708 donor wall, where you will see "bricks" with all donors posted. As part of our inaugural launch of this program, we are honoring the first 50 members who sign up for the "11th Hour Pledge" recurring donation as "**Founders**", who will be honored with special events and/or recognition.

Please check out the link below or on the website and become a "Founder" today!!!

Sincerely & Fraternaly,  
Your Board of Directors, Tampa #708

Friends of 708 – 11<sup>th</sup> Hour Pledge

## Promise Grant Back to School Party Government Relations Report

On August 5th Patty Volpe chaired another very successful Back to School Party here at Tampa Lodge # 708.

There were three planning meetings, a bag stuffing evening, extensive shopping and several hours of set up and tear down time in addition to the 2-hour party. Then there were some returns made....

We received gifts from the community – notably Publix and Happy’s Home furnishings to be used as door prizes for parents.

Our Elk family was also very generous. Cash and supplies of \$732.25 were donated by Susie Harlow, Sue Moore, Shelagh Gombarcik, Jennie Sommers, Candi & Bob Suhrheinrich, George & Georgia Hilficker, Bonnie Atwood, Mike Volpe, Patty Jankiewicz. Chris Miles, Melissa Evener, Carolyn Breit, Bonnie Quire, Betty & Bob Orcutt, Donna Halsey, Carolyn Miller, Donna Cuesta and Rita Smith, Becky & Bryan Sullins and the LOE. \$996.50 of Promise Grant funds were also utilized. It is a \$2500 grant – with a stipulation that excess funds after the 2 main parties will be utilized to do something for the older kids.

104 children attended the party and left with a full bag of supplies and a full belly, too. The kids were fed all you can eat hot dogs, macaroni and cheese and pudding at lunch, then were given an ice cream treat before they left. The 87 family members that accompanied the kids were also well fed. At one point during the party the adults were ushered into the “no kid zone” dining room to sign up for door prizes and get on our registry. They were also invited to consider joining the Elks.

14 Elks and 1 helper helped Patty Volpe stuff bags on Saturday Night. Patty Jankiewicz, Linda Reid, Bonnie Quire, Jody and John Boelhower, Susie Harlow, Rita Smith, Sue & Tommy Moore, Shelagh Gombarcik, Candy Venable, Bill Helsel, and Elma Kelly made fast work of that tedious job.

On Party Day, we had Elks Patty Volpe, Rita Smith, Glynnis Butler, Bonnie Quire, Devoney Bedami, Bonnie Atwood, Patty Jankiewicz, Jennie Sommer, Betty Orcutt, Rebecca Sullins, Jodi Ryan, Shelagh Gombarcik, Rufus Hawkins, Candi Suhrheinrich and Bob Suhrhienrich, Tom Mortka & Debbie Farris. Tommy & Sue Moore working the party. They were joined by adult helpers Christen Grant, Jeremy Elkins, Elma Kelly, Doug Grant, Melissa and Chris Evener, Mike Volpe, Cliff Somers, Clyde Evert, Bryan Sullins, and Angelica Hawkins and we had youth workers, Elise Evener, Haleigh Evener, Blake Hurst and the Ryan boys. We needed every one of them, too.

Special thanks to the teams that completely sponsored an activity, these people take a lot of the workload off the Chairperson and help make the party a huge success. The LOE with their Treasure Chest of after school snacks; Melissa and Chris Eveners, with their flight into Gotham City Game; Becky and Bryan Sullins with their Sticky Fingers Spider Game; and Jodi and Tim Ryan, with their Super Hero corn hole game. In total, there were 8 activity stations for the kids to enjoy, including a visit with Elroy.

**Hello, Tampa 708 Elks!**

**We are excited to have a summer where our numbers are better than the year before!**

**We hope some of this is due to activities the House Committee has offered. We scheduled some Rock & Roll bands on Saturdays and had a couple of wine tastings. A HUGE thank you must go out to Linda Reid as well. She has worked hard to mix up our Friday night entertainment, as well as start a food truck night!!!**

**We are working with our community partners, MGM Friends (another Quarter Auction); South Tampa Chamber (Happy Hours); and the Improvaholics (just a fun time for all who attend). We have a Beer Tasting coming up in October!!!**
