Bob Orcutt; Elk Officer of The Month!

Bob Orcutt, OOM. He and his wife Betty have been in the kitchen helping to organize and keep it clean. They have reduced inventory and for the first time in quite a while we have good budget numbers, with a reasonable cost of goods sold. In addition, Bob and Betty prepped and prepared almost everything for the WCD VP visit in July. While they couldn't be there because they were attending their daughter's wedding, all our guests raved about the food and many took home to go boxes because it was so good.

Patty Jankiewicz, Elk of The Month

Patty Jankiewicz, EOM. Patty not only chairs our Veterans Services Committee and events, but also helps with pretty much all ticketed events where she helps to check guests in and offer prize tickets. She also participates in many of our regular events like Lodge General Meetings, Tuesday Movie Night, Queen of Hearts on Thursdays, Friday Dinners, and Gourmet Club. Patty not only attends special and regular events but is there many times a week to support our Kitchen and Lounge.

Florida Elks Participating in the 75 Anniversary of D Day

By Rudi Masi, Sr., PDDGER, VPAL

Sixty Florida Elks and Caretakers including six WWII Elk Veterans traveled to Normandy as part of the Florida State Elks Association partnership with Historical Programs to participate in the 75th Anniversary of D Day Commemoration and Festivities. They represented 18 Lodges and 8 Florida Districts. Florida Elks were easily recognized as they traveled in D Day theme shirts and hats. The majority of the group traveled out of Orlando on Delta Airlines to Atlanta. Delta recognized Florida Elks traveling to Normandy for D Day festivities in the terminal to a standing ovation. Florida Elks were permitted to board the plane before the other passengers. Upon arriving in Atlanta, the group changed to Air France. Air France announced the

Florida Elks in the terminal to another rousing standing ovation, had our group board the plane first, and upgraded our WWII Veterans to First Class. During and after the flight, all members of the Air France Flight Crew requested and had their photographs taken with our WWII Veterans.

Upon arrival in Paris, the group traveled by tour guided bus to their hotel in St. Lo, France. This city was completely destroyed by Allied bombing during WWII to avoid loss of life as the Germans refused to leave despite leaflets being dropped on the town advising everyone to get out or the city would be bombed.

Our first full day in Normandy included a beautiful ceremony at the Brittany American Cemetery & Memorial in St. James, Normandy, France located near the northeastern edge of Brittany. The Brittany American Cemetery lies among the hedgerows in rolling farm country in Normandy near the border with Brittany in France. It is one of fourteen permanent American World War II military cemetery memorials erected by the American Battle Monuments Commission on foreign soil. The site was liberated on 2 August 1944 by the 8th Infantry Division; a temporary military cemetery was established on it three days later. After the war, when the temporary cemeteries were being disestablished by the American Graves Registration Service, the remains of American mili-

tary dead whose next of kin had requested interment on foreign soil were moved from the temporary cemeteries to one of the permanent cemetery sites, usually the one closest to the temporary location.

Our Elk WWII Veterans were on the stage with the American and French Dignitaries. Two of our Veterans, Fred Hall and John Santillo, were on the beaches on D Day. They were featured speakers representing WWII Veterans. French Dignitaries spoke in French and English thanking our nation for the sacrifices made to set them free. It was heartwarming to see each of our veterans being hugged and thanked often with tears by the many attendees. Several bands played music and choruses sang moving songs for this special ceremony.

Later in the day, we visited and toured the very moving D Day Museum and Mulberry artificial harbors in Arromanches, France. Re-enactors from Norway set up live military command post as part of the D Day commemoration.

Thousands of people attended the D Day ceremony at the Normandy American Cemetery & Memorial in Colleville-sur-Mer overlooking Omaha Beach. A memorial in the cemetery includes maps and details of the Normandy landings and military operations that followed. At the memorial's center is *Spirit of American Youth Rising from the Waves*, a bronze statue. The cemetery also includes two different flag poles which at two different times people gather around the American flags to watch them lower and fold both flags. This not only honors America but all the 9388 people in the cemetery plus everyone who fought in the war. In addition to the dignitaries, our WWII Veterans again spoke with several other WWII Veterans and a member of the French Resistance.

We visited Omaha Beach, Ponte du Hoc, and several other battlefield sites. At each location, there were live military theater of operations and encampments put on by present day military and also re-enactors making for a thrilling experience allowing attendees to re-live the deeds of our Greatest Generation. The featured highlight of the entire D Day Commemoration was the 75th Anniversary of D Day Parade in the first town we liberated, Sainte Mere Eglise. Sainte Mere Eglise was made famous in Cornelius Ryan's book THE LONGEST DAY, which was later made into a movie. The actor Red Buttons portrays Private John Steele, a paratrooper who had his parachute caught on the church steeple. John was shot in the foot and played dead for several hours before being taken prisoner. This small town of around 2,500 residents swelled to over 100,000 as people came from all over the world to witness or be part of the parade and other D Day festivities.

Our WWII Veterans rode in WWII jeeps leading the parade made up of bands and military personnel from all over the United States. Florida Elks marched in the parade directly behind the jeeps carrying two banners. The lead banner was an official 75 Anniversary of D Day banner commemorating Florida Elks participation with the official D Day logo. The second banner carries WWII Veteran signatures, has an American Flag background, and the Elks slogan "As long as there is a Veteran, Elks will never forget them". The parade route was lined with people waving flags, yelling "thank you", and reaching out to shake our hands.

One special event was to have all of the veterans on the trip who served in combat have their photos taken together. This photo represents veterans who fought in WWII, Korea, Viet Nam, Gulf War, and Afghanistan.

The trip ended with everyone seeing the sights, sounds, and tastes of Paris. No matter where we traveled in France, our WWII Veterans were treated like famous celebrities as people sought to have their pictures taken with them. Each Veteran and all who attended carry in their hearts wonderful memories brought to us by the sacrifices of many 75 years ago. It is a special blessing to be surrounded by our Elk Veteran heroes and part of the Florida State Elks Association with Historical Programs!

VP Tom Mortka Visits Tampa #708! (Meets Elroy for 1st Time!)

For quite some time people had noticed that whenever Elroy the Elk was in-the-house, Tom Mortka, VP of WCD, was suspiciously absent! In fact, some people had become a bit enamored of the idea Tom might be Elroy. Tampa Lodge #708 managed to put that rumor to rest July 20th as VP Mortka was greeted at the Lodge room door by none other than Elroy who escorted Tom before the Exalted Ruler Chris Miles. It was a fun night of Elroy and “The Birds” as two macaws stood on their perch in the Lodge Room and made comments all night long....some downright raucous!

The evening also marked the in-district passing-of-the-torch from Immediate Past DDGER Theresa Matthews to Incoming PDDGER Tony Fratello. (see below)

Elroy searching the Lodge Room for WCD VP Tom Mortka...

The New District Banner was displayed by; (at left)...Carl Seibert, COO & Secretary of the Florida State Elks Association, and Theresa Matthews, now PDDGER....(at Right) DDGER Tony Fratello and WCD-VP Tom Mortka.

ENTERTAINMENT NEWS

Unfortunately, there is much competition on Friday night's related to entertainment, since the Moose and both American Legion's have music/dinner. Because of this, we have not had enough members coming in to cover the cost of having live music every Friday night, or Dinner every Friday night.

Therefore, due to budget constraints, starting in August 2019, we will be changing the Live Entertainment schedule to offer one special Dinner / Dance the last Saturday of each month.

We will have the JukeBox playing your favorite tunes on Friday night's, so we encourage you to come in and enjoy your lodge and bring a friend!

Each month we will have a special themed Dinner with live music related to the Theme, or a Dinner / Live Show.

On Aug. 31st, don't miss our first last Saturday event...the **Country Hoe Down**, with the fabulous **REBEL SOUL** band and lip smacking BBQ benefiting our Veterans Program.

Each Event will have a Theme, so I know how we all love to dress the part, so there will not only be great entertainment and a delicious dinner, there will be some fun activities! Mark your calendars for the Last Saturday of each month, so you don't miss out!

Watch the Elksize for more details each month.

It is that time of year again to help children in our community with school supplies. This year we will be supporting Westshore Elementary by helping their teachers with specific items and some of the students who do not have the ability to purchase the items they need. Below is a list of items you can drop off in the box at the Lodge:

- Items for the School Store (they get these items as a reward if they show positive character traits) these items include small toys, stuffed animals, bookmarks, stickers, etc. You can donate anything that you think a child from K-5th grade might like as a reward.
- Lysol/Clorox Wipes
- Boxes of Kleenex
- Crayola Crayons
- Hand Sanitizer (any size)
- Glue Sticks
- Colored Pencils
- Ziplock Bags (all sizes)

For a full list of school supplies you can go here:

http://westshore.mysdhc.org/Resources/Supply_List

There is a large box at the Lodge to collect your donations. Please provide by August 10th since the first day of school is August 12th.

The principal and students at Westshore Elementary are very grateful for your donations.

365 Club

To date, the members of Florida Ladies of the Elks, (FLOE) combined, have donated \$429,099,07 to the Harry Anna Trust fund to support the Florida Elks Youth Camp and The Florida Elks Children's Therapy Services. Tampa Elks Lodge has been a big part of that, with the LOE Auxiliary donating \$2000,00 or more each year,

You can explore both of these Major Projects on the Florida Elks website FLELKS.org. I can guarantee you will be impressed. The Youth Camp invites 320 Florida Children a year to spend a week "unplugged" at camp. The Therapy Services is offering physical and occupation therapy to Florida children in their home. They operate 26 mobile units and each Van visits about 20 kids a week!

You can make a difference in the life of a child by simply filling up one of the green housed around the bar, or writing a check designated 365 club and turning it into any LOE Officer, or simply writing your name on the edge of a \$5.00 (or Higher) dollar bill and sticking in a house.

I will be listing current donations next month – be sure to turn yours in by August 15th to be mentioned.

Your Elksize Editor Sez: I have been asked by our Exalted Ruler to insure delivery of the Elksize in time for the 1st of each month!
