Officer of The Month

This months OOTM is Rick Schneider. Rick is one of the integral parts of Lodge operations. He's the one primarily in charge of keeping us legal with Grand Lodge, submitting paperwork, and processing income and bills. Many may not know Rick moved to the New Port Richey area not too long ago and has to travel around 40 miles each way do his work and he does that 3 days a week most weeks. So please give him a hand and buy him a drink. He likes Crown Reserve by the way!

Elk of The Month

This months EOTH is Candi Suhrheinrich. Many people know Candi from the Member Mingles she helped organize, but most do not know how she helps on the Membership Committee, having called many of our members who had not renewed to find out why. Or that she is the Queen of Cuban Sandwiches, helping to run crews for Convention and Gasparilla. Of course she is also Bob's "better half". She and Bob are cruisers so they will likely be cruising when this comes out, so when she gets back make sure to say thanks and offer a beverage.

A Message from Your Exalted Ruler, Chris Miles

I have not been placing articles in the Elksize this year so members can be better informed of what the Lodge has to offer through event flyers. But we've just past the half way mark and are moving into the third quarter of the 2019/2020 year and I'd like to thank everyone for their participation especially the people who help around the Lodge. I'd give you a list but it would be long, and there wouldn't be much room for this article which I think has important information for members.

From a charitable standpoint we are serving our community as well if not better than we ever have. Currently over \$8,344 has been donated to the Harry-Anna Trust with a Per Capita of \$24.98 per member, making us #2 in our district, and #4 in Florida! Great Job! We are also feeding the homeless, hosting veterans for dinner, helping veterans furnish their new apartments, clothing kids, and providing school supplies to teachers, just to name a few of the community activities. Currently we are collecting cereal for children living at The Spring women's shelter, and we are just starting our Christmas Toy collection.

However, we've missed many of you and it shows. What I'm seeing are the same members serve on multiple committees, and volunteer dozens of hours a week because of a lack of help. For many of those who are working this has become a second full time job, and for those who are retired, it has them asking "Did I actually retire?" These members need your help not only so they don't burn out, but so we can do a great job helping our community, not just a good job. Members also need the companionship and camaraderie that helps soften the tough work we sometimes do as volunteers. So please come and help us with the good work Elks are known for in the community and give your sister and brother Elks a hand. Donating as little as 3 hours a week can really help lighten the burden, and I'll bet it will provide you with a sense of pride in your Lodge and the work we do. For those who need a ride we can provide that for you.

The Lodge as a facility (Kitchen, Lounge, and Hall) is also supported by our members, and "butts in seats". In order to operate we have overhead, and while our cost of goods sold has been good, our Sales are lower than budgeted leaving overhead and repairs to eat up our profits. The Lodge needs more than your membership, we need your participation in the events our volunteers and members work so hard to put on, and to eat and drink at the Lodge. The Lodge simply cannot be open every day for just 5 or 10 of our 334 members, we need your patronage.

In order to lower our operating costs members are now volunteer bartending on Friday, Saturday, and Sunday. Our kitchen volunteers now operate most nights without a dishwasher, leaving those tired members to clean up after a hard day of cooking over a hot stove.

We even have the Friends of 708 (just 15 members, less than 5% of total membership) donating \$11 or more every month (nearly \$300 a month) to the general operating fund. Several members donate more than \$20 a month. To put that in perspective those members are essentially doubling their dues to help keep the Lodge sustainable. And that doesn't count the numerous donations members make on a daily, weekly, or monthly basis for durable goods, small perishables, stationary, and even toiletries.

With that in mind I'm asking that every member **HELP YOUR LODGE and come in at least once a week**, whether a weekday or weekend, and make a purchase. Have a drink, have a meal, sit down and have a conversation with your fellow Elks and see what's going on. Please also considering joining the Friends of 708 in the Eleventh Hour Pledge. The Pledge is an \$11 a month (or more if you'd like) recurring donation to the Lodge. You can sign up through the Lodge website and clicking on the "Friends of 708 11th Hour Pledge" icon. I would especially encourage those who cannot come in on a regular basis to consider this as your way of doing your part to help sustain your Lodge.

So I look forward to seeing you and working with you in our community, and during the down time celebrating the good works we've done whether at the bar or at Lodge events.

Americanism

Americanism
(noun): attachment or allegiance to the traditions, institutions, and ideals of the United States. What better way to celebrate Americanism than in the observance of Veterans Day (November 11, 2019). This day celebrates not only those who have paid the ultimate price for our great nation, but for those fortunate enough to come home to their loved ones. This year I ask that all those who are able help us celebrate our Veterans and attend the Welcome Home event on November 10, 2019 (5pm) at the Tampa International Airport. We will be Welcoming those returning from the "Thank You for Your Service" event in Washington, DC. You are encouraged to bring a sign, bring a flag, and wear your colors to Welcome Home those who have served this great nation. Please contact the Lodge Secretary, 813-831-4280, for additional information. We will be carpooling for those who do not have a transportation.

The students are now using the tablets that the Lodge provided to research colleges and universities.

On September 18th Tampa Elks Lodge provided snacks and helped chaperone the Club Chivalry field trip to the University of South Florida (USF). PER Dee Cisneros, Linda Peterson, and Trustee Tommy Moore stepped up to the plate to help make this field trip happen. The USF open house was specifically geared towards students in the AVID program. Most of Club Chivalry students are now enrolled in that elective. It was both fun and informative. Volunteer Linda Peterson said, "It was a good day!"

In October we still have a club meeting on Monday the 21st and we have again been asked to chaperone and provide refreshments for a field trip. This time the students will be going to Steinbrenner Field to learn about careers in Sports. As of this writing, I expect to have PER Dee Cisneros, Linda Patterson, and Christien Elkins on that bus with the kids. We will again provide muffins and juice before they board the bus, ensuring that a student without money to purchase their lunch at the food court does not go hungry all day. I

The November Club meeting is scheduled for Monday November 18th at 12:55. You would be out of there by 2. The duties are easy – hand out refreshments or raffle tickets, help straighten things up afterwards. I would like to highlight the diversity within the lodge, so if you are available and haven't been recently, please let me know you can come with us. If you would like to be a guest speaker- I can make that happen, too.

On November 21st we will have our annual "on Campus" field trip in conjunction with Career Day. I am still a little short on details, but I know that it will encompass most of the school day, and I will require a lot of chaperones. Not every person has to stay all day, though. Again, this is not hard work, and it is great to see how much the students enjoy interacting with the Elks.

Though the funds from last year need to stretch through December, it is now time to reapply. This program has been good for the Lodge and for the community, and I hope it can continue. By next month, we will know if we got the 5th year of the Impact Grant. *Keep your fingers crossed!*

DRUG AWARENESS COMMITTEE

Hello everyone. . A busy month of October. Have a couple of things going on with our Drug Awareness that happened in the last part of the month could not have the info on how things went as the time frame for getting our articles in to the editor for November was due prior to the events taking place. The first event was "Family Day For Literacy" at the Port Tampa Library. Want thank Laura and Jodi for putting this on and inviting the Elks Drug Awareness Program to join them. On October 30th. there was an event held by the Drug Enforcement Agency at the Double Tree Hotel on West Cypress St. They invited all of the Elk Lodges in our District to come along and give them a hand putting the event on. Will have all the info in the next Elk Size. Remember be a Hero. just say no to drugs.

365 Club Report –

To date, the Ladies of the Elks Auxiliaries have contributed more than 1.6 million dollars to the Florida Elks Children's Therapy Services. The initial fundraiser was the 365 Club – one penny for each of the 365 days in a year from each member. The little green houses on the tables in the lodge were a great way to contribute, but in these changing times more and more people are using plastic and the amount of change in the houses has greatly diminished. Feel free to take one home to fill up when you do find yourself spending cash and getting change. Another way to contribute is to just fold up a dollar, five, or ten and stick it in the house. Write your name on it to be recognized. Last month, Donna Halsey has again made a significant contribution, and I filled up another house.

The big news of the month is that the Low Country Boil was a huge success, and that the Tampa LOE again exceeded their goal and made such a big contribution to the Florida Elks Children's Therapy Services that they were first in the state in per capita (amount per member)! While I wish that was all from 365, the majority came from the numerous events the auxiliary put on. When you support the LOE, you are supporting the Lodge. Not only do their events increase sales in the Lounge, but the Tampa Lodge gets credited for those contributions, and regularly brings home the district award at the Florida Elks state conventions.
