## Elk of The Month

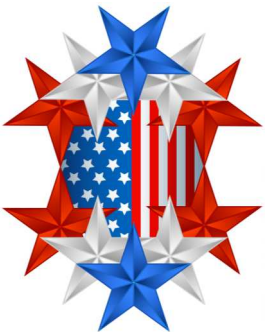

EOTM, Taylor Taylor: Your past Loyal Knight and my nephew, Taylor has helped by taking on open bartending shifts to keep our doors open, and more important-ly has been helping his sister (last months Elk of the Month Christina Sanchez) and his mother, Courtney Weil, PER, with charitable works including the open arms ministry breakfast, packaging meals for members and those in need, as well as school supplies for the children, and homeless supplies to help keep the less fortunate safe during the pandemic. I'm really proud of him and hope he is able to continue his charitable works in addition to his 2 real jobs, the ones that keep the lights on!

## Officer of The Month

OOTM, Laura Jones: Instrumental in the finances of the Lodge and without which I think I can safely say the Lodge would not be able to pay its bills is our Treasurer Laura Jones. Just back from FRS training where she had to make a 4th change (yes Fourth!) to our accounts due to changes in the new GL reporting system Laura is not only a wealth of knowledge but a ground for me when I'm scratching my head wondering what is going on. With real world advice grounded in real world experience I can say I truly value her opinion when tough decisions need to be made. Now if I could just get her to make them for me! Thank you Laura, you complete me.

Tampa 708 Ladies of the Elk October Elksize report

There have been a lot of changes to the Elks Lodge as we continue to fight the battle of the CoronaVirus. While we can see the light at the end of the tunnel we are still cautious in wanting all our members to stay safe. Our Ladies have been very fortunate thus far that we have had no reported cases of the virus among us. And due to the Lodge not having any reported cases either we are now able to plan our first big Ladies event. Thanks to the dedicated hard work of Donna Halsey she has again agreed to plan our traditional Sock Hop. Sue Moore is also a big help in planning this wonderful event. The Sock Hop is scheduled for October 17, 2020 at the Elks Lodge with all members invited. Lady and Elks. Ticket donations are \$12.00 and you can see Patty J or Susie H. There will be music, dancing, costume contests and much more. Please plan to attend. We'll miss you if you don't come!

September 24-26th your Lady President and Vice President will be at the Lido Beach Resort in Sarasota for the 57th Annual Conference where we will be accepting donations for the Christmas gift card tree. All proceeds go to the Ladies and it was, so far, all from donated gift cards. Way to go Ladies! Susie will also be installed on the Advisory Committee on Saturday so that will be exciting.

As time goes by and we come out of the pandemic we look forward to much more fun and socializing. I look forward to seeing you all at the Lodge in the social quarters.

Our next meeting is October 7th at 7:00PM.

Let us continue in good health, friendship and happiness.

May peace be with you,

Betty Orcutt

Lady President

## ER's Article:

We've been ducking tropical storms and hurricanes to the left and right while still digging our way out of this Covid Storm. However this month we had our first real scare, for 24hours anyway. One of our bartenders was exposed to someone whose boyfriend was diagnosed by Covid. Springing into action your House Committee took immediate action, which unfortunately included closing the Lodge temporarily. However, just as fast as the news came in, the good news of a negative test came back less than 24hrs later. It just goes to show how far careful attention, proper precautions, and attentive leadership of your House Committee go.

I'm proud of not only the immediate actions the House Committee took, but also the difficult decision to close, which of course was not universally thought to be the right decision. Thinking of the safety of our members the House Committee made a decision which while not popular was right.

While we still need to follow Corona/Covid precautions October is scheduled to be a busy month. So please check our website, look for emails, and give us a call if you have any questions regarding Events, hours, meals, and yes even meetings.

For the foreseeable future Lodge Meetings will be available by Zoom due to Corona concerns, health issues, or being out of town. Candy V. is keeping the online calendar updated with a clickable link, and there is a flyer in Elksize with information to enter the meeting by the video app or by calling in. However, please understand we are doing this as a courtesy for members. This is not a substitute for coming to meetings where you otherwise could have (so no sitting at home with a beer, while the rest of us are here).

I want to thank all the members without whose support and dedication we could not be open.

Finally, please check out our online calendar for events. We're currently open with safety precautions, but we cannot afford to keep the social quarters open for 2 or 3 people. So stop by, enjoy some time with friends, and take advantage of what the Lodge has to offer. I hope everyone is safe, and I look forward to seeing you soon.

### Tampa 708 delivers school supplies to needy students.

On Tuesday, September 2<sup>nd</sup> Tampa Elks Lodge delivered school supplies valued at about \$400 to Westshore Elementary school, located deep in Port Tampa., Due to the Pandemic we were unable to hold a back to school party this year, so the youth activity chair, Patty Volpe, asked members to donate school supplies for local students Westshore Elementary was chosen as the recipient based on their high percentage of Title 1 (fee Lunch) students and the fact that a survey of the other South Tampa fraternities indicated they were not on anybody else’s list. . No visitors are allowed inside any school at the present time- there is not even a volunteer screening

page on the school board’s web-site. The Principal, Linda Drawdy, was very appreciative, and took time out her busy day to come outside to thank us. Because foot traffic at the Lodge is low right now due to the pandemic, and our donations were down considerably from previous years, Patty has set up an Amazon Wish list that will allow you to purchase supplies from your home or office and you can choose to have them delivered directly to the school now under the Lodge’s name. The need is pretty high at this school that has so many low income students and no nearby shopping for those families

without transportation. The link to the amazon wish list is:

## Tampa Elks 708 turn a spotlight on pandemic HUNGER.

It was like Christmas in July for 50 families in a low income, urban area of Tampa when they received a customized for them Lasagna dinner, complete with salad and bread, prepared by Courtney's Custom Catering and Tampa Elks Lodge #708. This huge endeavor was made possible by financing through Elks National Foundation's Spotlight Grant. The idea was conceived by member Christina Sanchez and Jointly executed with her mother, Courtney Weil, PER.

This working through two different neighborhood service centers, Tampa Elks identified the 50 families and gave them their choice of a meat sauce lasagna, a vegan lasagna or a chicken and broccoli alfredo lasagna. They also got to choose between to "Do it yourself kits" they could prepare at home- either Shepherd's Pie or Chicken Alfredo Pasta. Volunteers took over the lodge

room and kitchen on Tuesday, August 25<sup>th</sup> and prepared the 50 half steam table tray size Lasagna's, and also prepped for the Do it yourself kits- measuring our hamburger, peas and carrots, pasta, parmesan cheese and all the other ingredients so that each kit was complete – down to the milk and butter to make mashed potatoes!

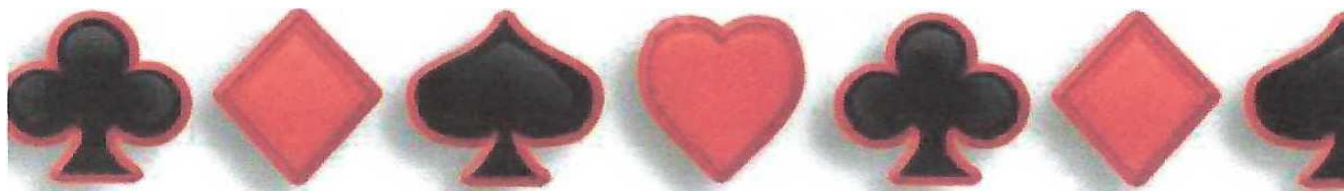

The lasagna and all ingredients were properly stored in the lodge freezer and walk ins, and on Wednesday morning a crew showed up to pull the orders for the first community center- The Tribe Center in the Seminole Heights area of Tampa. The food was transported, the kits assembled, and then delivered to the families at their appointed time, and all safety protocols were able to be met. On Thursday morning

more Elks showed up to transport the second 25 lasagnas and food for the kits to the Stepping Stones Community Center in the Sulfur Springs area of Tampa. Again, the delivery times were well thought out and safety concerns were well negated.

Information about Florida Elks Major projects, scholarships, and Tampa Youth activities were included in the kits. The kits were assembled at the community Centers, and they each received a \$50 Visa gift card to replenish the supplies used. Several food recipients contacted us to express their appreciation for the amazing dinners. One mother wrote how nice it was to be able to tell her daughter yes when she asked for seconds, her kids went to sleep with full bellies, which is not always the case.
