# October Elk Recognitions

## ELKS OF THE MONTH...REBECCA SULLINS & MARTY QUIRE

Elk of the Month for October is a combination of two members who rarely see one another but keep the communication between the membership and Lodge activities solid. Rebecca Sullins is our Facebook guru...bringing a quick response to calls for alerting the membership of events and happenings at the Lodge.

Marty Quire provides a number of services....a weekly calendar, the online Elksize, email communication to the membership and flyers for events. The two make a strong communication combination for the Lodge and deserve recognition for their service to Tampa Lodge!

## OFFICER OF THE MONTH...TRACY HORRELL

Officer of the Month for October is Tracy Horrell, PER & PLP. This year she is the Esteemed Leading Knight and our membership chairperson. She is one of our more outgoing members, always smiling and greeting our members. In addition she has demonstrated her culinary skills with several delicious meals for both the Ladies organization and the Lodge. Always willing to lend a helping hand, if she's in town, she is an asset to our Lodge. Let her know she is appreciated for her efforts when next you see her.

## Supporting Reports

### Ladies of the Elks:

We, the members of the Tampa Lodge LOE are proud to announce that we were able to present a check for \$2,500 to Children's Therapy Services at this year's Florida Ladies of the Elks Conference in Daytona Beach. Wendy Hall our ER, and a member of the LOE, presented the check to Colleen Gallant the director of Children's Therapy Services. We have consistently met our goals in fundraising for this worthwhile organization and are looking forward to continuing the tradition.

Please keep in mind that the holidays are almost upon us and we will be looking for help in decorating the Lodge the day after Thanksgiving. It's great fun and we share leftovers and wonderful memories. Think about joining us...you will be welcome.

We are currently working on our Christmas Bazar and creating handmade items to sell at that time. Keep us in mind for your Christmas shopping needs.

## **RITA SMITH, PER, STATE CHAIR ENF FUNDRAISING COMMITTEE**

Because you are an Elk, I am sure that you contribute to nonprofit charities throughout the year. Maybe it's your grandchild's PTA fundraiser, the annual appeal to purchase a meal for the needy at Thanksgiving, the Salvation Army red bucket in-front of the store at Christmas. Do you say yes when the grocery store or restaurant asks you to "round up" for the charity they decided to support? Of course, you support Harry Anna. But what do you know about Elk's National Foundation?

When you support The Elks National Foundation (ENF), you are supporting a charity that supports the communities where Elks live and work. Last year, the members and lodges in Florida donated \$433,292.23 to ENF. It sounds like a lot of money. But I bet you did not realize ENF sent more than \$1,638,400 back to Florida. I say, "more than" because there were 16 scholarships awarded to Florida students that were not projected in these numbers, most of the relief to the victims of Hurricane Ian are also not reflected in these numbers, the travel expenses of those staff who attended our schools and seminars are not included, and neither is the Drug Awareness Program.

To accomplish that kind of return, the Elks National Foundation must invest its capital carefully, and keep its operating costs low. In fact, the ENF spends 92% of their income on direct mission expenses. Less than 8% is spent on advertising and administration. Compare that to the administrative and advertising expenses of the top charities in the country – according to Charitywatch.com, Feeding America spends 21%, Toys 4 Tots spends 21%, Salvation Army spends 18% and even the beloved American Red Cross spends over 9%.

Florida was nowhere near the top of the heap when it came to reaping benefits of our top-rated charity. There are a lot of different formulas for the different programs, but it is simple to understand that the more your state gives, the more your state gets in return.

So I ask : "Can you make a donation today?"

Can you log in at [Elks.org/enf](http://Elks.org/enf) and make a recurring donation by joining the Fidelity Club? \$15 per month is the default, but they will accept a \$5 donation if that is all you can budget. If that does not appeal right now, you can also log in and make a one-time donation. You can choose which ENF program you want to support. YOUR donation will help YOUR Lodge get bigger grants, YOUR community get more services, and YOUR state get more money for our major projects. And, for some of you, it will help YOU pay less in taxes. When you hear the word Benevolence – Think, "ENF!"
