A Message From your Exalted Ruler, Wendy Hall

We are rapidly approaching the half-way point of our Lodge year 2023-24. There is a lot of activity in September; please see "Save The Date!" at the end of this article.

Recently I was asked, "what is an Elk." After some thought I believe an Elk is a member of the community who wants to give back and help those in need. We are a giving organization that centers charitable activities around our youth and Veterans. Those activities are as varied as the folks who are involved in them. Yes, we are a social organization. However, much of what we do socially helps fund charitable activities. Our Elk members donate their hard work, time and money to provide fuel for the operation of the Lodge. Your involvement may be donating time, your skills, or investing through participation or attendance in Lodge events.

We have new and exciting events coming...A "Blues, Bourbon and Bar-B-Q" gathering October 6th featuring a great blues band, Bar-B-Q & all the "fixins", and Bourbon Tasting. Blues will be by a three-piece band and tickets only \$20. Then November 11th a live show...The Godfather Show starring Joe Beddia with Comedy, Music, Song and Impersonations...all wrapped around an Italian dinner and all for only \$30. Tickets on sale soon.

ELK OF THE MONTH...SUZANNE MOORE

Sue Moore is always ready to produce a last minute raffle basket or to help with decorations for an event. She works keeping our closets in order and is ready to pitch in at any time. She serves on the House Committee and is on the Birthday Bash committee and bakes fresh cakes for the event. Come by and thank her for what she does.

OFFICER OF THE MONTH...DEBBIE BRENNAN

One of the busiest people at the Lodge is our Lodge Esquire, she is on several committees including house committee, bingo committee, Birthday Bash committee along with waitressing on Thursday and Friday nights. Debbie Brennan is always there to help out or lend a hand with whatever needs to be done. Come by and thank her next time you see her at the Lodge.

Supporting Reports

Ladies of the Elks:

As we finish the first half of our year, I thought we should reflect upon all we have accomplished. What have we done, buckle up and enjoy this ride down memory lane.

Our year started out with a bang! The Ladies used April to plan out our year and what a year we have had so far. May started out with the LOE's Annual Kentucky Derby Horse Race. Thank you to everyone who came out to make this horse race our MOST successful yet! Next up, the Elks State Convention in Orlando. Your LOE was integral in helping support our lodge's efforts to bring the PRIATE SPRIT to the state level. Here comes June and the LOE is still going strong. Father's Day was an afternoon to remember. Not only did we picnic with fellow lodge members, but we also invited the Boy Scouts who participated in Flag Day to join us. We gathered to watch 80 for Brady and had our annual Walk-A-Thon. Both events benefited our favorite charity, Childrens Therapy Services. Don't even talk to us about July! Then came the LOW COUNTRY BOIL. Good food, good music and great friends getting together for a wonderful time. August has been quiet, we needed to catch our breath. But don't fret, the Ladies have events and happenings planned.

The Ladies are not done yet. We have much more to come in the second half of our year. Look for our annual Christmas Bazaar and the Ladies always shine at our Gasprilla Event. Without the support of all our lodge members, YOUR LOE would not have been able accomplish all that we have so far. We intend to keep going and support our lodge in the best ways we can.

Sparkles for Seniors

On August 1st the Tampa 708 made donation of about \$250 dollars worth of individually wrapped pieces of women's jewelry to the Sunshine Senior Center in St Petersburg, Florida. The jewelry will be used as game prizes or special occasion gifts for the many seniors who spend a good part of their day in the facility. The Lodge had a surplus of jewelry on hand after several events.

OPEN ARMS

On Sunday, July 23rd, Elks Rita Smith, PLP, Patty Volpe, Lisa Davitt, Mike Volpe and Lisa's son, Brian, who was here on vacation, and our friend from ALA unit 139 volunteered at the Open Arms Ministry. We have partnered with this

ministry of Hyde Park United Methodist Church for about 10 years. It has been a good, two-way partnership. That is where we met Steve Kraft, our dishwasher and Rich Allen, a musician who had performed a half dozen times at the lodge. There have been some changes since we first started, but this ministry has evolved into something *much easier for the volunteers*. For example – instead of reporting no later than 8AM on a Sunday morning, they now ask us to come at 10:30. Instead of 18 people dishing food onto trays for 2 hours or more as the line of hungry needy people seemed to never end, they now have the customers come in, get their beverage, and take a seat. Then 4-5 volunteers take trays of food, baskets of fruit, and carts of sweets around to serve them. It was heart warming to see the men and women come in, take a seat, be served, relax, and chat with each other and with the volunteers. We were finished and out the door by 12:30, but those “Feel Good” endorphins lasted all day!

They are in need of volunteers, especially as the summer vacations continue. The new schedule is harder for their church members, as it over-laps Sunday Services. If you would like to give it a try, contact me and I will send you the link to sign up. I can accompany you there any Sunday in August except the 13th, which is our VP Visit. You can bring your children over 8 years old, your neighbors, or your friends.

Rita Smith, PER

Is there a High School Senior in your life?

The Elks offer four very different scholarship opportunities.

All four are now open!

MVS is the big one – with 500 total scholarships awarded nationwide in amounts ranging from \$4000 - \$30,000. The application period is from August 1st to November 13th. *There is no affiliation with the Elks required to earn a scholarship.* Students are judged on Academics, Leadership, Financial Need and Community Service. The scholarships are awarded to the best and the brightest kids around. This scholarship is called the **Most Valuable Student** Scholarship, or **MVS** for short. Applications are done online at enf.elks.org/MVS and submitted to the Lodge closest to their home address. Use the Lodge locator box on the home page of Elks.org to see which is the closest lodge. The top 20 scholars will be required to spend a weekend with the Elks in April to receive the full \$30,000.

The **Hope Scholarship** is offered to Florida Students Only. This scholarship counts community service, school activities and citizenship as even more important than academics. In fact – you do not qualify if your unweighted GPA is over 3.59, but it does need to be at least 2.30. You must be an American citizen, and you must be a high school senior unless you are applying for law enforcement, fire or corrections academy. *There is no affiliation with the Elks required to earn a scholarship.* Best of all – there is no restriction on the use of the scholarship other than you enroll in an American college or university, an accredited technical or vocational program, or a first responder's academy. Amounts range from \$3000 - \$30,000. The application opened August 1st and closes January 12th. You can find this application at FLORIDAEELKS.ORG/HOPE-SCHOLARSHIP.

The 3rd scholarship that opens September 1 is specifically for the children and grandchildren of Elks. This is the **Legacy Scholarship**, and at least 15 will be awarded in the State of Florida. The sponsoring Elk must have been a member for 3 years but does not have to live in the same state as the scholar. Each state has a different quota depending on the number of Elks residing in the state. It is also a very competitive scholarship. These scholarship applications are graded on Academics, Charity, Community Service, and Integrity. The scholarship award is \$4000. Recipients will be required to serve the community with an Elks Lodge at least once a year. Apply at enf.elks.org/leg

There is one more scholarship for which you hope to never have to apply. That is the **Emergency Educational Grant**. This grant is offered to unmarried children under 24 years old of deceased or totally disabled Elks. The grant is renewable and up to \$5000 per year. Applicants must attend a US college or university full time as an undergraduate and demonstrate financial need. To apply – contact the ENF Scholarship office at scholarship@elks.org.

Contact me for help or more information.
